Focus on Excellence

This week Year 5 have enjoyed investigating air resistance within their Science lessons. This was both memorable and quite challenging for some as it involved leaving the classroom and sprinting outside while attached to a parachute! As some children discovered, air resistance can also be effected by strong wind! Great fun and lots of practical learning!

Friends News

We are looking for new members. There are specific roles available such as publicity, fundraising, secretary, treasurer in training and also general new members. All parents/carers are very welcome to the AGM on Thursday 19th October at 3.30pm. Get in touch with us by email friendsofwoodloes@gmail.com if you'd like to find out more about what we do. We would love to hear from you! Commitment is as much as a person can give—even if it's just an hour or so 'here and there' - any time you can give would be greatly appreciated.

We are a very friendly group of parents/carers working on behalf of our great school and look forward to welcoming new members. We look forward to seeing you on the 19th!

Other News

Forest School— We have been lucky enough to be awarded £5,000 of Tesco Bags of Help funding to develop our forest school. The money will be used to link our two pieces of woodland with willow planting, for permanent dens, an outdoor kitchen, stage and to refurbish our existing structures.

Children will soon be asked to put forward their designs and ideas for the structures, so look out for this in their book bags.

Part of the money will be used to build up links with parents, grandparents, other family members and local people who can spare a little time to help and support the school. We hope that people will come forward initially to help us with this project and remain involved with school projects in the longer term. If you would like to be involved please contact the school office.

Young Voices KS2— We have had a very positive response to the Young Voices concert. If your child registered previously, today was the deadline to return the completed slip. We are still awaiting a few to be returned so if you want your child to attend, please return the slip on Monday morning **at the latest**. Thank you

Cornwall Trip Year 6— A quick reminder to return the completed slip on/before Thursday 28th September, confirming whether or not your child is interested and if you can attend the meeting.

Tennis— There are currently 3 spaces for the tennis club, which runs after school every Monday. If interested, email liannesupperstone@hotmail.com for details.
