

Dear Parents and Carers,

Today is our last day of the school year and it has been a very successful year for the school. I am incredibly proud to be the Headteacher of such a wonderful school and already looking forward to exciting projects and plans for next year! Unfortunately, today is also the last day for Mrs Eldridge and Miss List and we had an emotional assembly this morning as we thanked them for their incredible contributions to our school and wished them well for the future. Both of them are amazing teachers but we will probably remember them most for the music, performances, fantastic events and sense of fun they have brought to our school and we have been very lucky to have them!

Our Year 6 children leave today and we are very proud of the progress they have made and the personal development that we have supported each of them to make. We hope they go on to be generally amazing wherever they go and wish them all the very best of luck!

For the rest of us who will be back after the break, it has been a pleasure working with you this year and many thanks for your continuing support. Have a lovely, safe summer and see you in September.

Very best wishes.

Andy Mitchell - Head Teacher

Governor Focus

Governors met this week for the last time this school year. We received very positive information on pupil outcomes in reading, writing and maths. It is clear that pupils have worked very hard this year to be the best they can be and that they are taught well by the excellent and dedicated staff that the school is very lucky to have. Well done to everyone!

Last week Mr Mitchell provided a link to a survey that governors have designed to gather feedback from parents/carers on a number of areas and initiatives in school. Before you forget about school for the next 6 weeks please can you consider completing the survey. The more responses we get the better we are able to gauge your views. The link to the survey is <https://forms.gle/yUZfcAKu18T1L28Z6>

Enjoy a well earned summer break.

Attendance News

Highest class attendance for last week—Class 4SM

Focus on Excellence

This term Saplings have been learning about growth.

We have had our own caterpillars to look after, talking about what they need to grow and their life cycle. We have enjoyed watching our caterpillars grow, taking them on a trip to the school field and letting them free, watching them fly into the wild.

Other News

School Dinners

Royal Society for the Prevention of Accidents

As we break up for the summer holidays, the Royal Society for the Prevention of Accidents would like to remind parents/carers of accidental injuries that can (and do) occur in the home—more frequently during holiday periods. Most of these accidents are preventable through increased awareness, improvements in the home environment and greater product safety. For further advice and information on accidents and safety please visit www.rospa.com or www.capt.org.uk

Information regarding personal safety, bullying and online safety can be found on www.safetynetkids.org.uk. The opportunity to discuss any health issues relating to your child is always available and The School Health and Wellbeing Service can be contacted on 03300 245 204 or confidentially text ChatHealth Parentline on 07520 619376

Activities during summer holidays

Warwick District Council have a range of activity providers listed on their website for the summer holidays. Take a look at www.warwickdc.gov.uk/info/20810/active_community_and_wellbeing/517/holiday_activities. There are a wide range of activity providers that are listed on the site. Take a look and encourage your child to try something new in the holidays!

There is a tennis camp running over the holidays for children aged 4+ at British Tennis Coach Summer Camps. For more information email info@britishtenniscoach.com or call 07973 413316
