

Sun cream

As the weather is starting to look a bit brighter (sometimes) please remember to put sun cream on your children before they arrive at Pre-school. It is our policy not to apply sun cream and would appreciate if it is not in the children's bags for them to access themselves. Please apply the 'once only' cream where possible.

As the weather improves please can you supply a NAMED sun hat for your child.

Ice packs

If your child has a packed lunch it is recommended to put an ice pack in your child's lunch box to keep the food at the correct temperature.

Entrance and exits

For safety reasons we have an entrance and an exit door at the beginning and end of the day. If you are unsure of which door to use, please ask a member of staff.

Chicken pox

There have been several cases of chicken pox in pre-school. Please look out for red spots and itching. Your child can return to school when the spots have scabbed over.

Sainsbury's vouchers

We are nearing the deadline for collecting Sainsbury's vouchers. If you have any at home please bring them in so that we can purchase some new outdoor resources for Saplings.

Drawers

Each child has a drawer which they may share with another child. They are at the back of the room and are colour co-ordinated according to key groups. Please check your child's drawer each session as you will find important letters as well as art work.

Thank you

Thank you for your continued support and to everyone that attended our stay and play session we had a great time hunting for eggs on the forest and making bottle babies.

Toys from home

There are a number of children bringing in teddies and small toys which can get misplaced when the children are busy, or forgotten at home time, which can obviously cause some upset. As we approach the summer term and continue to prepare the children for school we ask that children only bring in toys from home for show and tell. If you have any questions please see your child's key worker.

Welcome to our new children

We are looking forward to our new children starting after Easter and we're sure our current children will feel very grown up in helping them to settle in.

Dates for your diary

As we are sure you are aware, we break up for Easter on Friday 7th April and return on Tuesday 25th April. Monday 24th being a teacher training day.

Monday 19th June is Saplings sports day 9.30 for morning children and 2.00pm for afternoon children. More information to follow.

Family photos

If you haven't already, please bring in a photo of your family for our display. Come and a look at your children's displays around the room!
