Reading at School

In Year 5, the reading focus will be fluency, **comprehension** and **understanding**.

We will teach reading through:

- ▶ Whole Class Guided Reading sessions 'Love to Read' scheme using a wide range of fiction texts.
- ▶ Small reading intervention groups to apply blending skills and support book discussion.
- ▶ Regular independent DEAR (Drop everything and read) sessions using phonic banded books or Accelerated Reader.

Please remind your child to bring his/her home reading pack into school every day.

Reading for pleasure from a variety of authors is an important activity for all children and should be actively encouraged by all parents. Children who read more, make more rapid progress across the whole curriculum. Children are encouraged to read five times a week at home.

Supersonic Phonics is used for all children learning to read across the school until they reach fluency within phase 6.

Accelerated Reader is used for independent reading once children are fluent readers and have an understanding of comprehension.

One book three times

To help new or struggling readers, read each book three times.
When doing so, focus on:

Decoding through segmenting and blending using phonics sounds

• Fluency to create more familiarity with word and build sight recognition

I can read accurately with expression.

• Comprehension – talk and discussion

Accelerated Reader and Assessment

AR supports independent school and home reading once children can read with fluency.

Personalised goals help students stay focused and motivated to read. Teachers monitor their progress and provide feedback to keep learners on track.

- ▶ Each pupil completes a half-termly Star Reading assessment to determine their comprehension level - ZPD (zone of proximal development) which are shared with the children as a book band colour
- ▶ Each child selects their individual reading book according to their AR score (school books are colour coded to enable children to choose their book independently)
- ▶ Once a book is completed, the pupil completes a reading comprehension quiz, using Accelerated Reader either in school or at home, to assess their understanding of the text read.
- ▶ Teachers monitor quiz results weekly and feedback to pupils.

Please encourage your child to read regularly at home. This is in addition to the daily reading we are doing at school and is part of their weekly designated homework.

Reader

AR Home Learning

- ▶ To encourage more independent reading at home, pupils will now have access to AR at home during evenings, weekends and holidays, until the end of the school year.
- ▶ Quizzing can take place at home to improve engaged minutes.
- ▶ Each child has a weekly target of 15 engaged minutes per day.
- ▶ Children are encouraged to reach 1,000,000 words during the year to earn a book voucher reward and certificates.
- ▶ Parents can now sign up for Home Connect email to be informed of their child's progress and quiz scores.

AR Home Connect

Log in must be through the school's URL link on the school website.

Pupils will be issued with their own log in.

Reading Hero Volunteers

Do you have a spare afternoon during the week and would you like to become a Reading Hero and support by listening to children read in school?

If you would, please let the office staff know.

English

From September 2025, The Literacy Tree has been used to deliver our English Curriculum. It is a book-based approach, which includes 2 and 3 week sequences of learning with opportunities to explore grammar, spelling, vocabulary and comprehension. Each sequence of learning leads to a range of purposeful shorter and longer written outcomes.

Children will also continue to use the Letterjoin handwriting style.

Maths in Year 5

- ▶ In daily White Rose maths sessions, there are links to prior learning, fluency and using and applying the maths learnt activities.
- ▶ In addition, there will be daily maths meetings to consolidate previous learning.

How do we assess learning in Year 5?

Children are assessed through both formal and informal methods. These are used to inform staff as to how to support your child to enable them to reach their full learning potential.

These assessments can include written tests as well as evidence from attainment in daily lessons.
