

Friday 10th March 2023

Dear Parents and Carers,

We have had 4 seasons in one day today: starting with snow and finishing in bright sunshine. The children have been very excited by the snow over the last couple of days and I am glad we had the opportunity to play in it for a short time yesterday and build some nice school 'snow-day' memories!

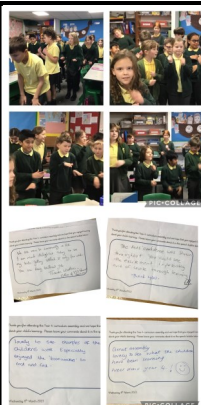

There has been a lot to enjoy this week. Year 2 went to the Sealife Centre and had a great time; Year 4 did a brilliant assembly which showed real breadth and quality across the curriculum and Year 5 have just come back from the Space Centre full of excitement, raving about how good it was! It is so good to see our children being inspired to learn in so many different ways and their enthusiasm is infectious.

Well done to all the children and staff for their innovation and hard work this week!

I have been in touch with Mrs Stevens this week as she is recuperating from her surgery and working from home. She would like to pass on her best wishes to everyone and she is looking forward to returning to school very soon.

Many thanks for your continuing partnership and support!

Andy Mitchell - Head Teacher

Year 4 Group Assembly

This week in Year 4, we have focused on our curriculum assembly, thinking all the way back to September and all of the wonderful things we've learnt. It was great to see so many families celebrate our learning with us. Some of the highlights were: times tables shoot out game (very competitive!); our fantastic art work; boomwhackers performance and dancing and singing to Rock Around the Clock. Our hand jive got better and better every time.

It was also lovely to round the week off playing together in the snow!

Miss De Araujo

Year 5 went on an exciting trip that was out of this world!

Today, the year 5 children and staff visited the Space Centre in Leicester. We learnt about many interesting new things and enjoyed all of the interactive experiences that we had. Looking at the space rocket was one of the highlights of the day! The children were impeccably behaved and have learnt lots of new knowledge which will help them with their science learning this term. Well done, Year 5.

The Year 5 Team

Attendance News

Highest class attendance for last week—Class **RMB** (**Mrs Magnall & Mrs Bailey**) with **100%**!

Whole school attendance to date - **95.1%** (school target 96.5%)

Pupils with 100% to date = **70** pupils = **16.87%**

What I love about Woodloes

"The teacher's are really helpful, they take care of you and are really kind."

Davneet 6K

Focus on Excellence- Reception.

Our maths learning this week has linked to our current book "What the ladybird heard" by Julia Donaldson. The children have been practising using positional language (such as above, next to, left, right, in front and behind) by singing a bean bag song to the tune of "If you're happy and you know it". They have also investigated doubling numbers using the ladybird's spots!

Mrs Bailey

Year 2 Ventured Under the Sea.

Year 2 visited the Sea Life Centre on Wednesday this week for our new topic Splash Attack. We loved seeing all of the underwater animals including sharks, turtles, otters, jellyfish and many other exciting sea creatures! We were able to walk through the amazing 360 underwater tunnel and even got to touch a starfish and shark eggs!

We are excited to write a recount of our trip next week within our English writing.

Miss Lyons

Parent Safeguarding Information

Calling all parents in Warwickshire...

Have you heard of Child Sexual Exploitation? Do you know about County Lines? How to spot the signs and where to get help?

Barnardo's (Warwickshire Child Exploitation Team) are bringing you a 60-minute virtual guide to Child Exploitation.

This is a perfect opportunity to increase your awareness, ask experienced professionals any burning questions and learn more about the support that is available in your area.

Please [click here](#) to find out more information and about how to book a place on the parents CSE Zoom training session.
