Start at the top and down we run, that's the way to make a one. Start at the top and down we run, that's the way to make a one.

Can you count the number shapes?

This is our first new number!

Are there any
other ways you
can make 11?

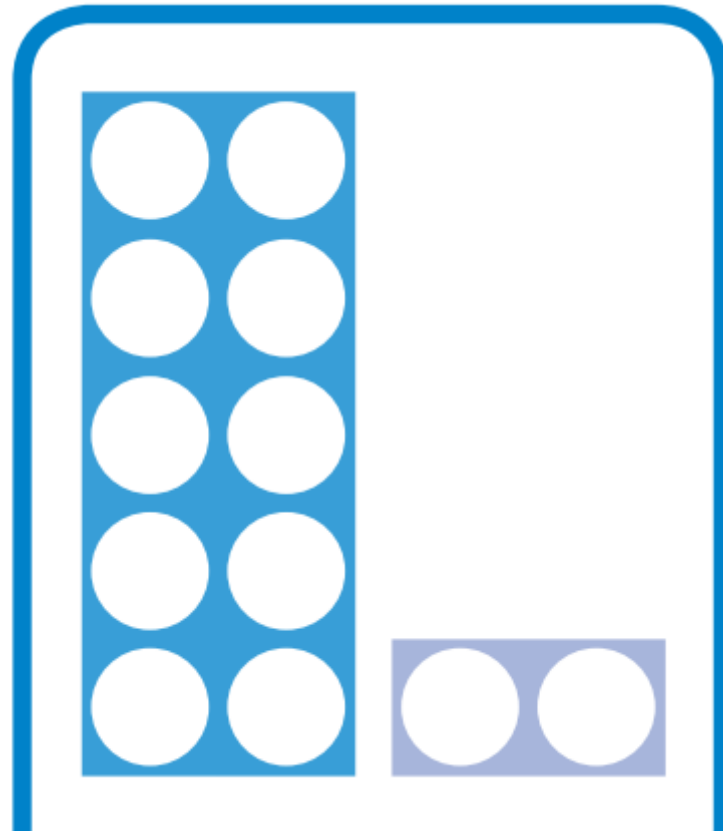

Start at the top and down we run, that's
the way to make a one. Around and
back on a railroad track, two two two.

Can you count the number shapes?

This is our
second new
number!

Are there any
other ways you
can make 12?

Do you know the teddy bear picnic song?

Welcome to the teddy bears' picnic.
How many cookies do they have?

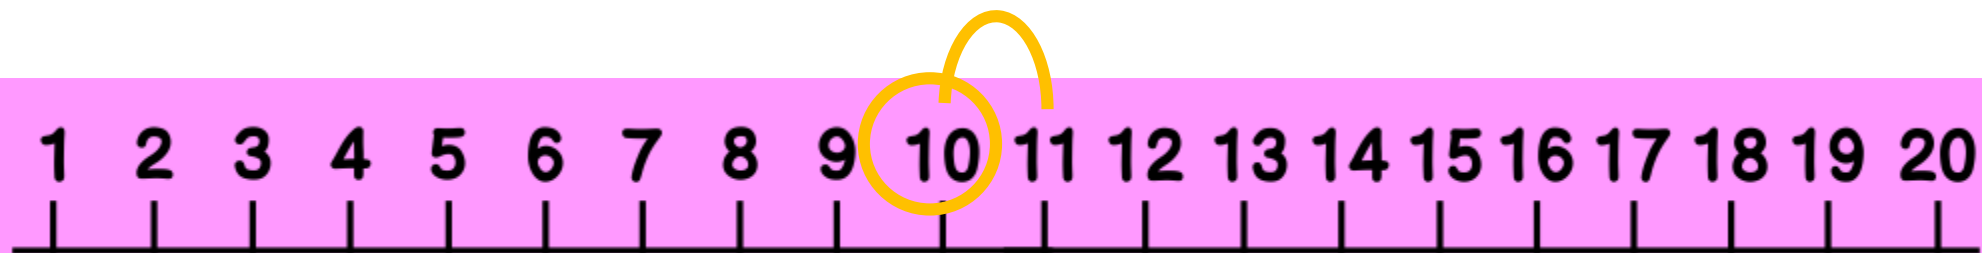

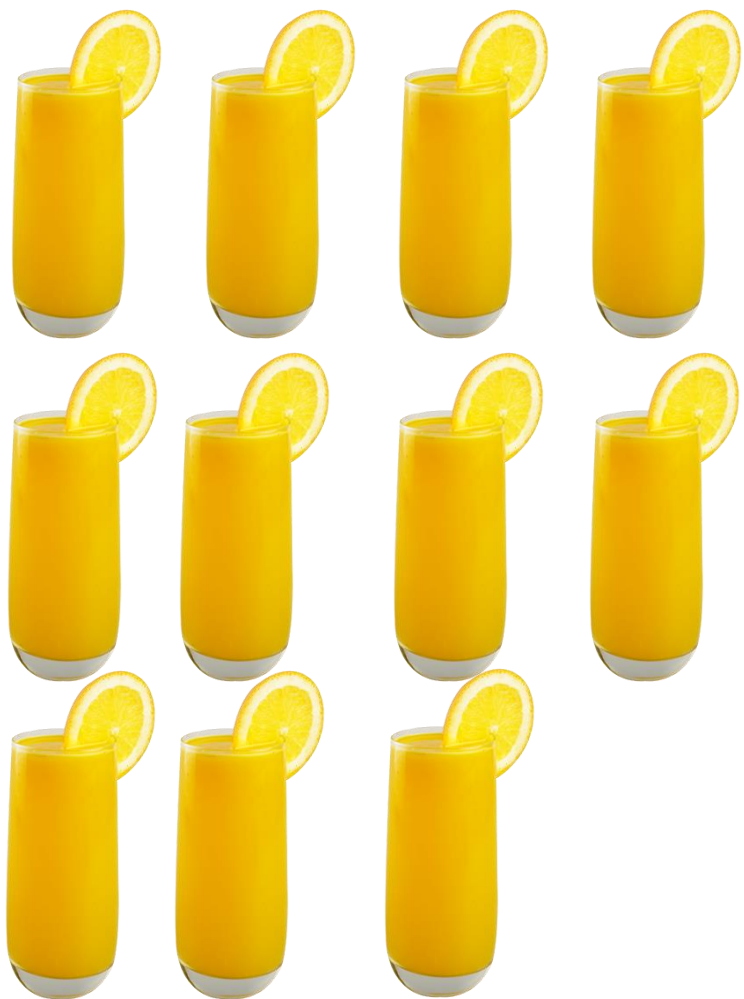

Can you count
the cookies?
Can you find
that number on
the numberline?

What happens
now we've
added one
more?
