'th', how many
sounds do we hear?

What do we call two
letters that hold
hands together to
make one sound? A
diagraph!

Do you remember this
diagraph? What is it? Feel
free to find the song on
youtube, or see if you can
remember it!

your hands, and say qu, qu, qu.

Tune: *The Wheels on the Bus*

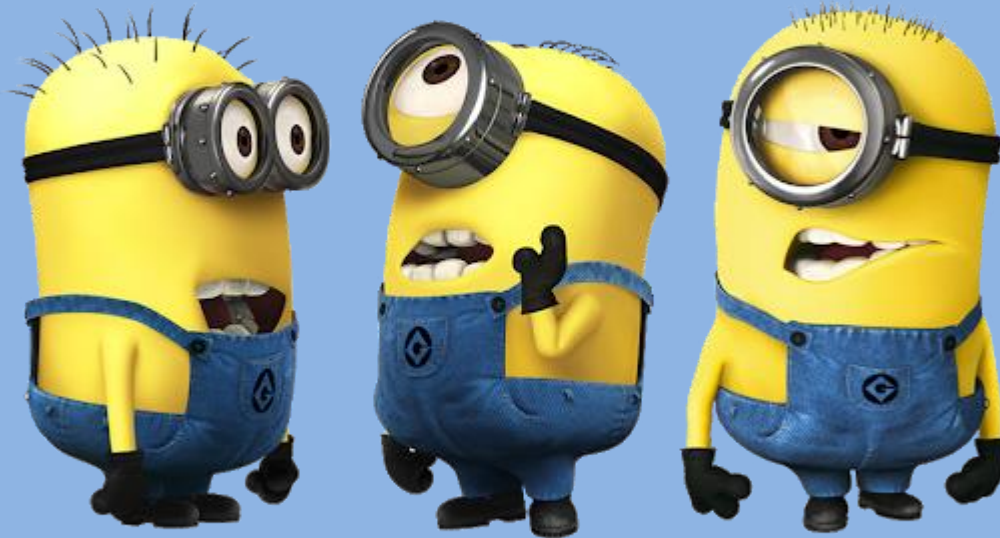

The duck in the pond
quacks, "/qu/-/qu/-/qu/,"
"/qu/-/qu/-/qu/,"
"/qu/-/qu/-/qu/."

The duck in the pond
quacks, "/qu/-/qu/-/qu/,"
all around the pond.

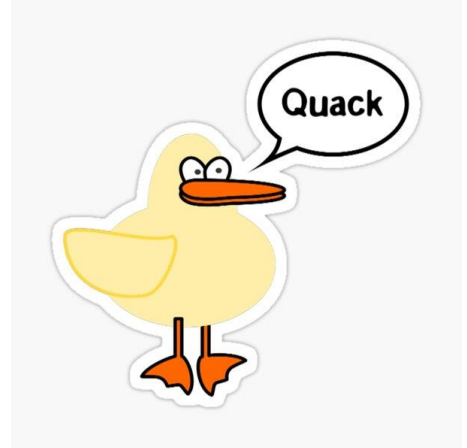

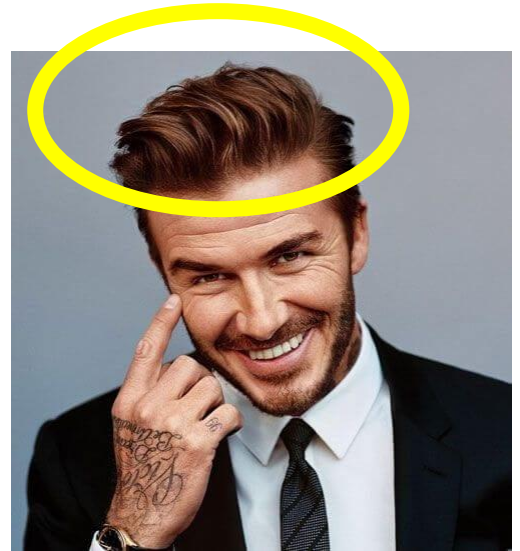

Can you think
of any words
that contain
qu?

What other words
have the qu sound
in them?

quack

It's writing time! Segment the first word, 'sing' at least 3 times together and then cover the word as your child attempts to write it.

Once you have the first 's' sound on the paper, support them in segmenting the word again "s...i...ng, s..." until the word is complete. Then write the next words!

Let's write our sentence of the day! Discuss the idea of a sentence with your child when you look at it (a sentence needs to start with a capital letter and end with a full stop or any punctuation, we have briefly discussed exclamation marks in class).

The duck ran quick.

What's that tricky word at the start? THE! Segment and blend each word until you have read the whole sentence. Get your 'sentence fist' out and say one word for each finger"
