

Dear Parents and Carers,

We have had a tremendous week at Woodloes which started with our first Sports Day for 3 years. The children did their sporting carousel with their teachers and Onside Coaching on Monday morning which was great fun. Many thanks to ONside for providing a great variety of events.

The afternoon, whole-school event was a great success. We tried something different with traditional events like the sack race, egg and spoon etc and topped this off with some relays to finish which everyone thoroughly enjoyed. Many thanks for your support on the day which helped to create a great event and well done to the staff and children who put on such a great show!

The children found out this week who their teachers are going to be in September and we have already held 2 transition sessions to help them get used to the changes. Further transition work is planned to ensure the children and staff all make a confident start in their new classes after the summer.

We have also had a PTA Bingo night this week which was brilliantly well attended. This was a great event which highlights again, the additional focus we have on community engagement. Again, a super team effort and many thanks to everyone who organised and attended.

More to come next week, but in the meantime, have a lovely weekend and many thanks for your wonderful support.

**Andy Mitchell - Head Teacher**

## Sports Day

What a fun sports day we had on Monday!

The sun shone on an activity packed day, with a morning of team activities with onside coaching including tug-of-war, silly races, dodge ball and javelin. The afternoon saw the whole school on the field and every child taking part in their race of choice from sack race and egg and spoon to sprints, beanbag and finishing with the relay.

The children showed great enthusiasm, sportsmanship and cheered each other on beautifully.

Huge thanks to the overwhelming turnout of parent support, it was wonderful to finally have everyone in school again and created a fantastic atmosphere for the children.

**Miss Younghusband**

## Air Quality Workshop

This week, Year 4 and 5 enjoyed a visit from Performance in Education and their show, Abbie Ayer and the Shed of Science. This interactive and informative show taught us all about air pollution and the little things we can do daily that can make a huge difference to our planet's health. We all enjoyed this wonderful performance and wanted to say thank you again to Performance in Education!

**Miss Tresadern**

## Attendance News

Highest class attendance for last week—**Class 3G (Miss Gabel)** with **99.5%**!

Whole school attendance to date - **94.3%** (school target 96.5%)

## What I love about Woodloes .....

'I like playing with my friends'

**Wilfred RC**

### Focus on Excellence– Curious Creatures in EYFS

Yesterday Saplings and Reception had some scaly visitors with our friends from Curious Creatures. We got to touch and hold lizards big and small, water dragons and the 8ft long boa constrictor. It was so good we just had to invite some of our friends from KS2 too!

The children loved it and were still talking about the snakes and what they felt like when they came in this morning!

Highly recommended as an experience for the children. Thank you Woodloes.

Ms Valentine.

### Friends of Woodloes– Bingo Night

Thank you so much to those who attended our first 'Friends Of Woodloes' PTA bingo evening on Wednesday! It was a fantastic turn out and lots of great prizes were won.

Keep your eye out for more events from September and thank you for all of your support with previous fundraisers over the last year.

If you are interested in joining our amazing PTA team then please speak to the office/Miss Lyons or contact us on our Facebook page to find out more.

### Other News .....
