

For your topic work today, you need to fill in as much information as you can on the KWL on the following page. You can write it out on a piece of paper or in a book if you don't have a printer. You can then look through the Viking powerpoint and try to research some of the questions on the last slide to find out more about Vikings.

Vicious Vikings

Where do Vikings come from?		
Why did they travel?		
What did they do?		
How do we know about them?		
Were they invaders or settlers?		

Vicious Vikings

6.1.21

WALT: ask questions that we can investigate.

What do we want to find out during our topic?

What dates were the Vikings around?

What did the Vikings eat?

Who were the kings?

Who was the first Viking?

What was the Viking alphabet and how did they write?

How did the Vikings start and end?

Which countries did they invade?

Why did they invade countries?

How long were the long ships?

What myths and legends did Vikings believe in?

What were their homes like?

Why was there a dragon head on the front of a long ship?

Were there any Viking artists?

What was everyday life like?

What weapons did they use?
