

Key learning: To identify shapes by the number of vertices and sides

Do Now

Can you recognise and name any shape you see?

I have ___ sides,
what am I?

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon

Key learning: To identify shapes by the number of vertices and sides

Star Words

straight

curved

side

vertex

square

triangle

rectangle

quadrilateral

circle

pentagon

hexagon

heptagon

octagon

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon

Key learning: To identify shapes by the number of vertices and sides

New Learning

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon

Key learning: To identify shapes by the number of vertices and sides

New Learning

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon

Key learning: To identify shapes by the number of vertices and sides

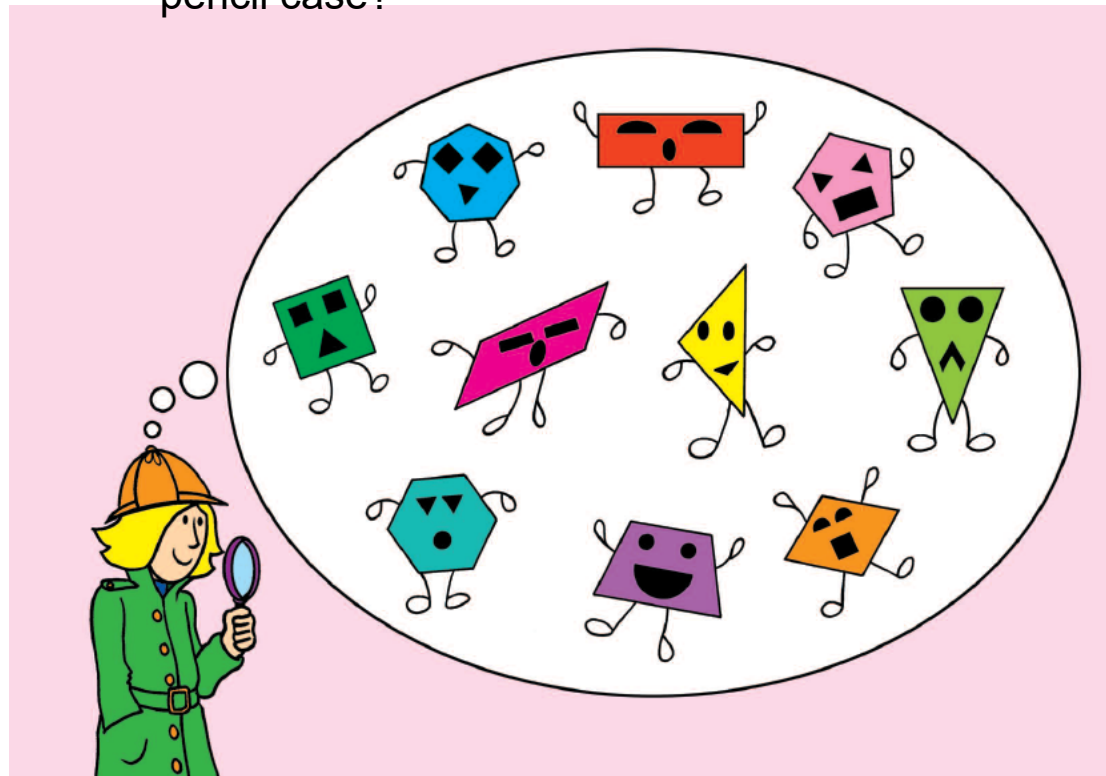

New Learning

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon

Key learning: To identify shapes by the number of vertices and sides

New Learning Can you describe the shape, using the star words, who stole the pencil case?

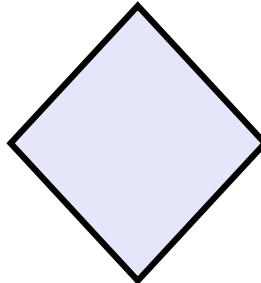

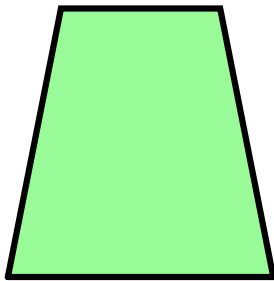

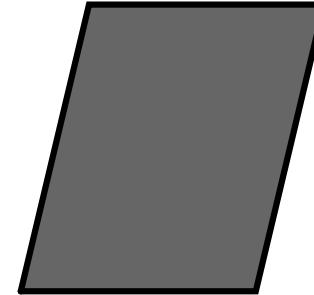

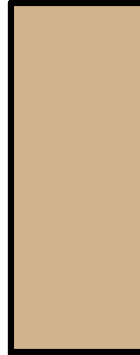

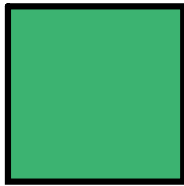

I have ___ sides,
what am I?

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon

Key learning: To identify shapes by the number of vertices and sides

Develop Learning

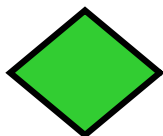

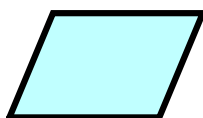

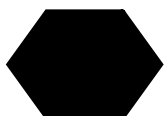

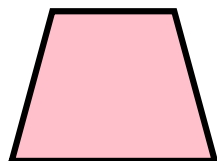

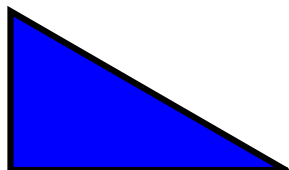

What is the same? What is different?

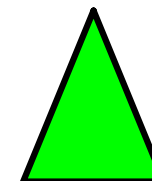

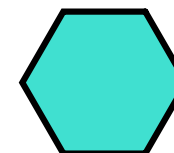

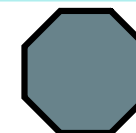

straight	curved	side	vertex	square	triangle	rectangle
quadrilateral	circle	pentagon	hexagon	heptagon	octagon	

Key learning: To describe and sort 2-D shapes

Independent Task

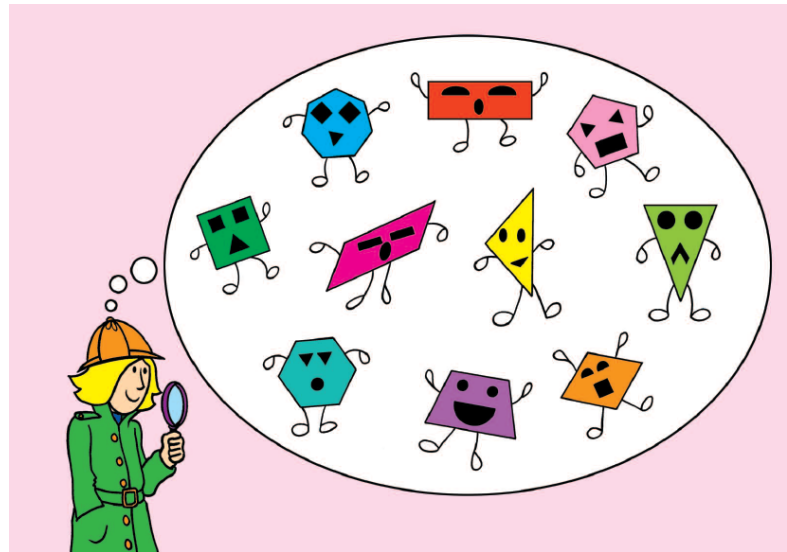

Colour	2 sides or more	4 sides or more	6 sides or more
Blue			
Not blue			

sorting classify criteria properties right
angles vertices sides lines of symmetry

Key learning: To identify shapes by the number of vertices and sides

Plenary

straight curved side vertex square triangle rectangle
quadrilateral circle pentagon hexagon heptagon octagon
