

GUIDED READING

Session 3

W.b. 28.09.20

2b: WALT: Retrieve and record information from fiction and non-fiction.

John desired to provide drinks which were an alternative to alcohol.

Chocolate drinking was taken up by the rich in England in the mid 1600's but where did cocoa originate from and how was it made?

(Use the information on p7 to help you answer this in your books.)

Read ch.1 p4-9 (...attended the exhibition)

2d: WALT: Make inferences from the text/explain and justify inferences with evidence from the text

“...The display was eye-catching and it is likely that it was noticed by Prince Albert who attended the exhibition.”

Chinn uses some interesting vocabulary to describe the exhibition.

What do you think the exhibition was like?

Why do you think Chinn thinks it ‘was likely’ noticed by Prince Albert?
