thirteen

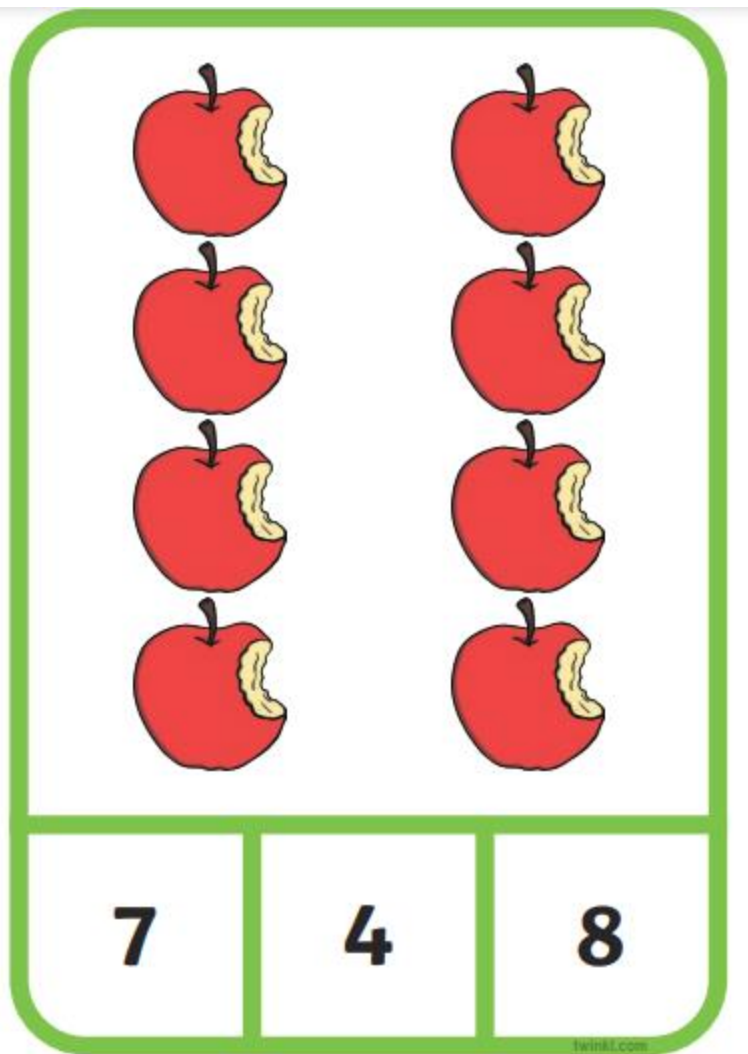

twelve

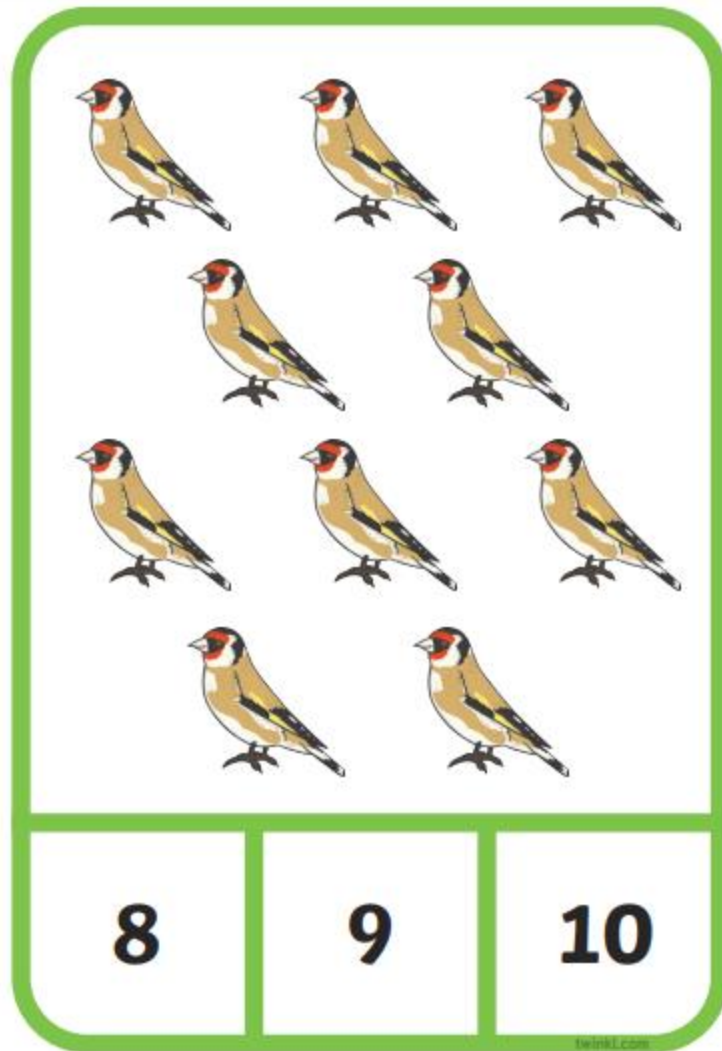

fourteen

Read the star words with your child, do they know what the words mean? What new words do you notice?

Can you match
the number of
items to the
numeral at the
bottom?

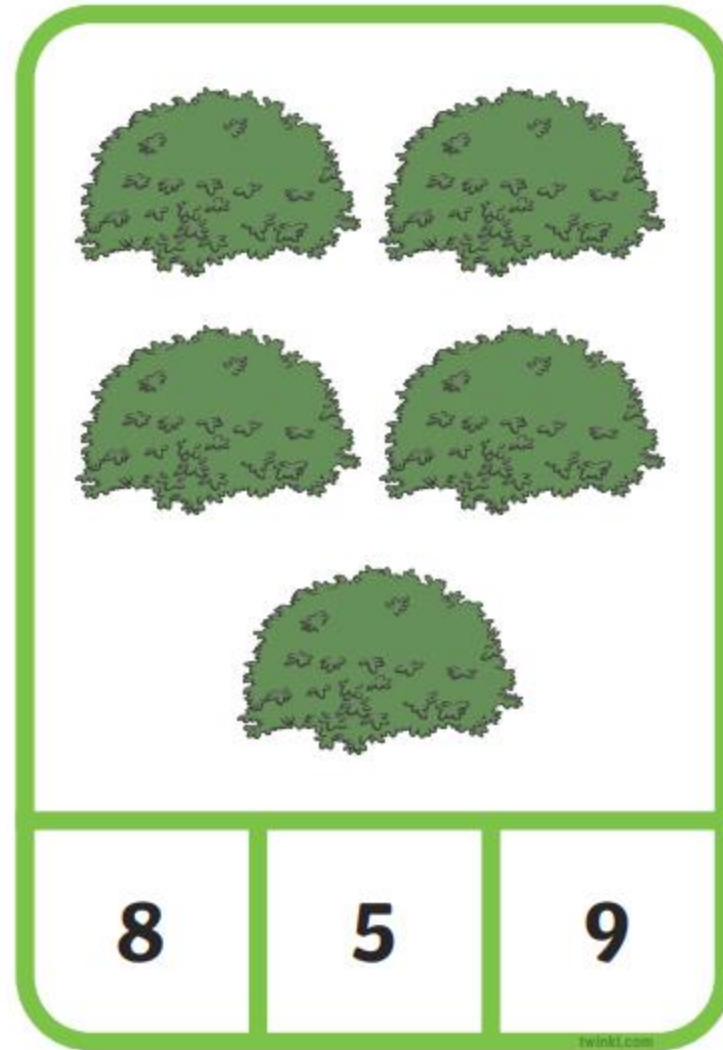

5

6

1

3

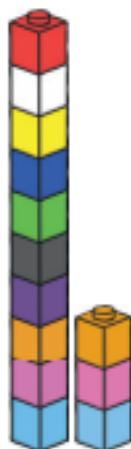

2

4

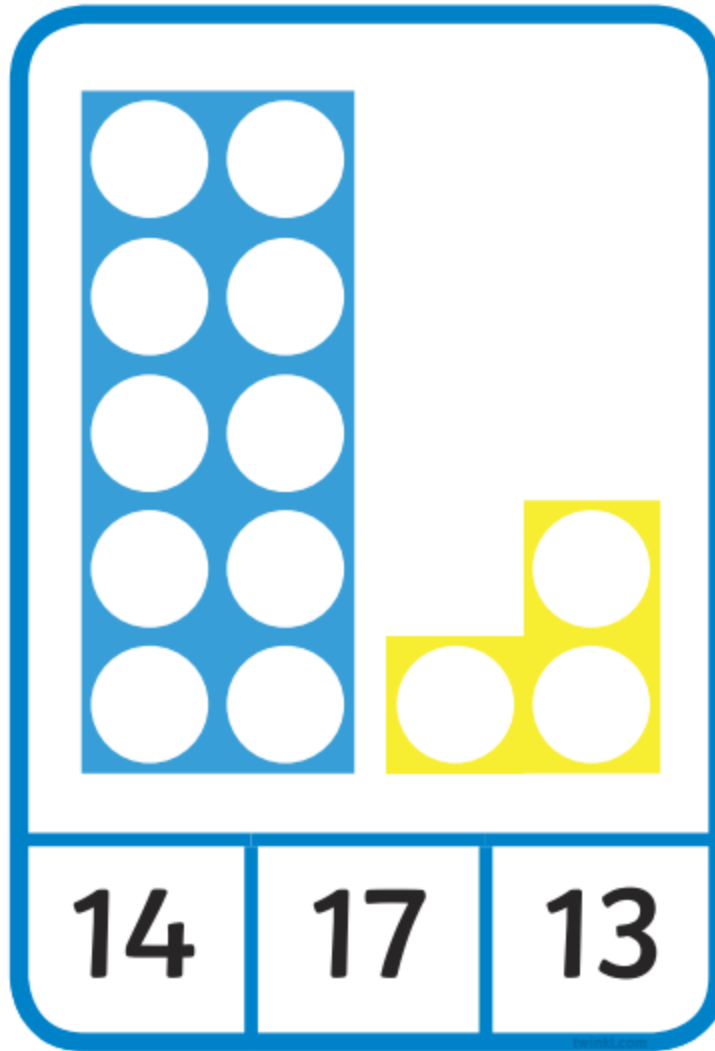

Start at the top and down we run, that's the way to make a one. Around the tree, around the tree, that's the way we make a three.

13

Can you count the number shapes?

This is our next new number!

Are there any other ways you can make 13?

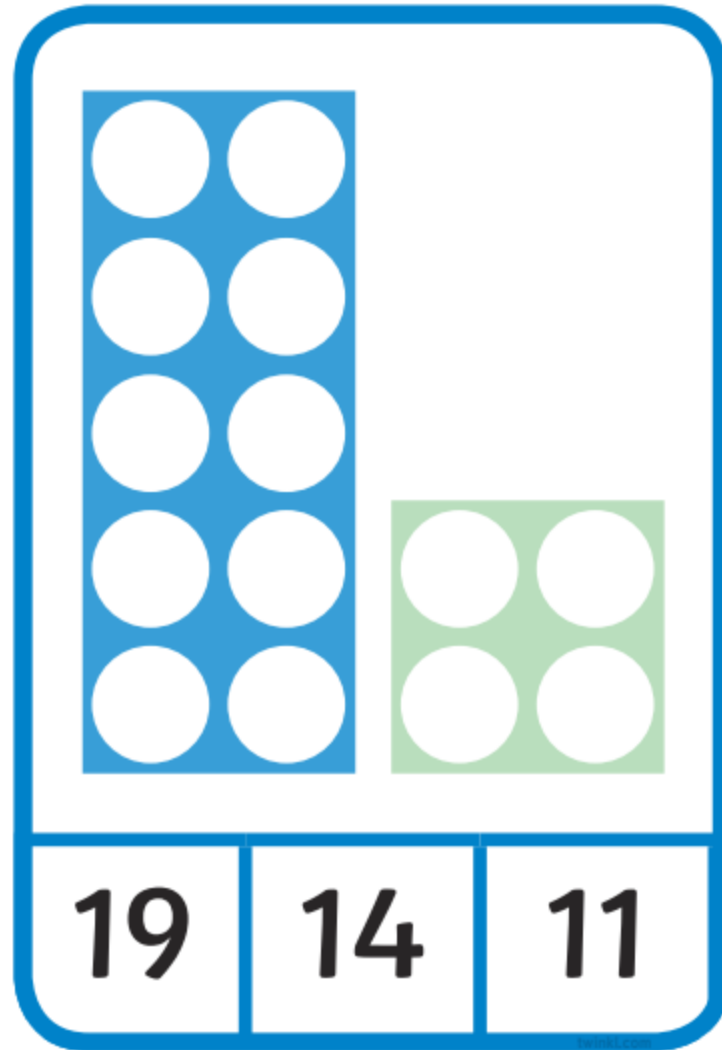

Start at the top and down we run, that's the way to make a one. Down and over, then down some more, that's the way we make a four.

Can you count the number shapes?

This is our next new number!

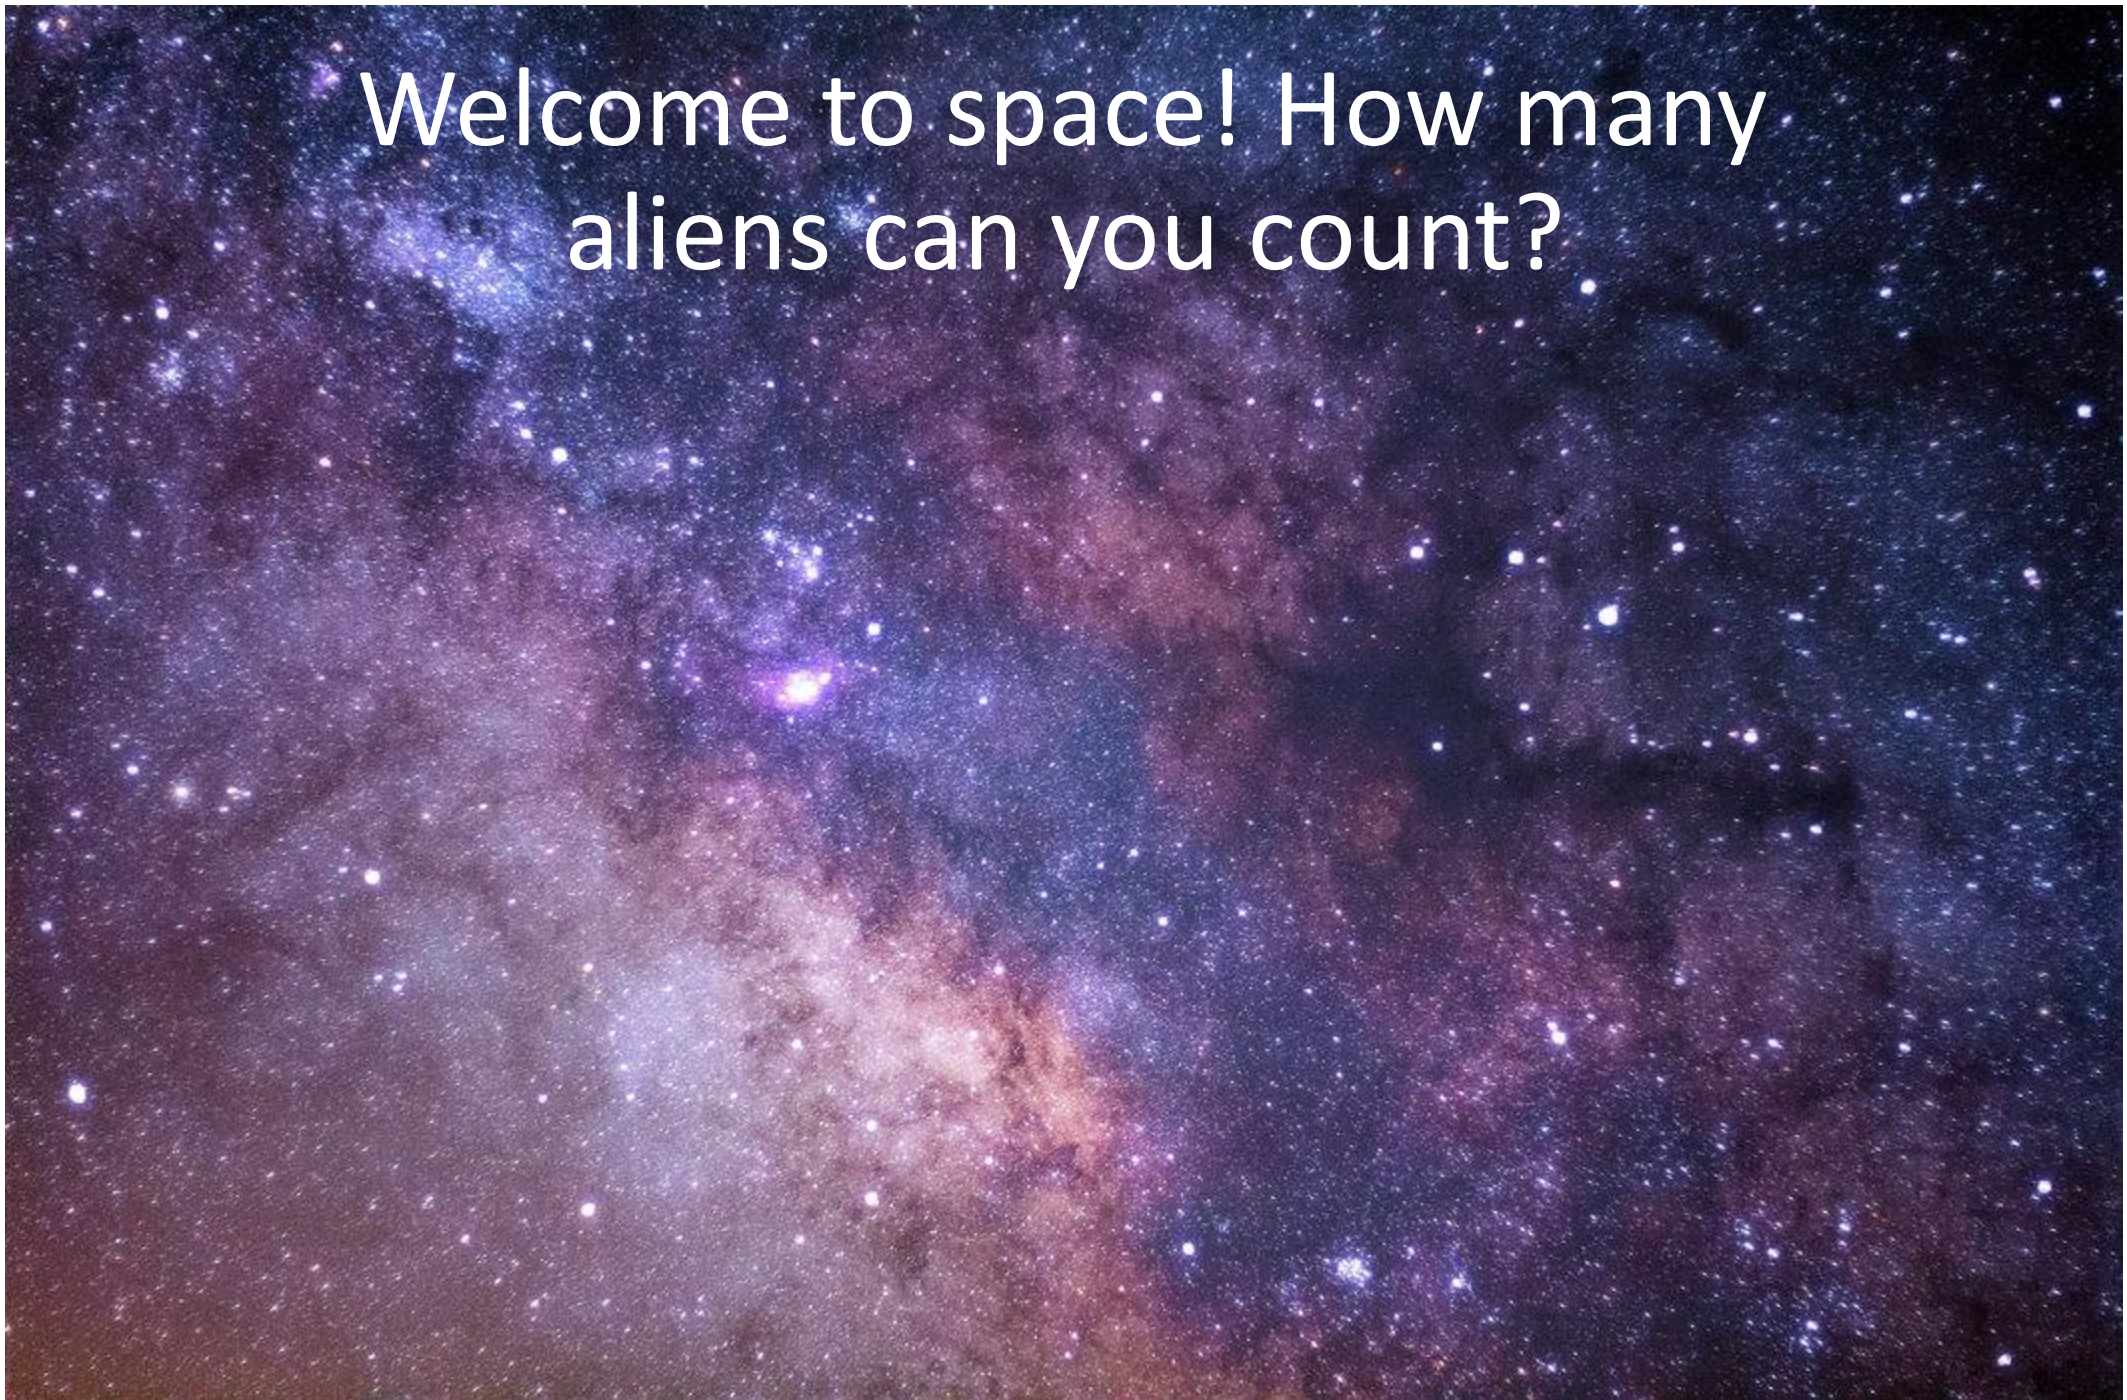

Are there any other ways you can make 14?

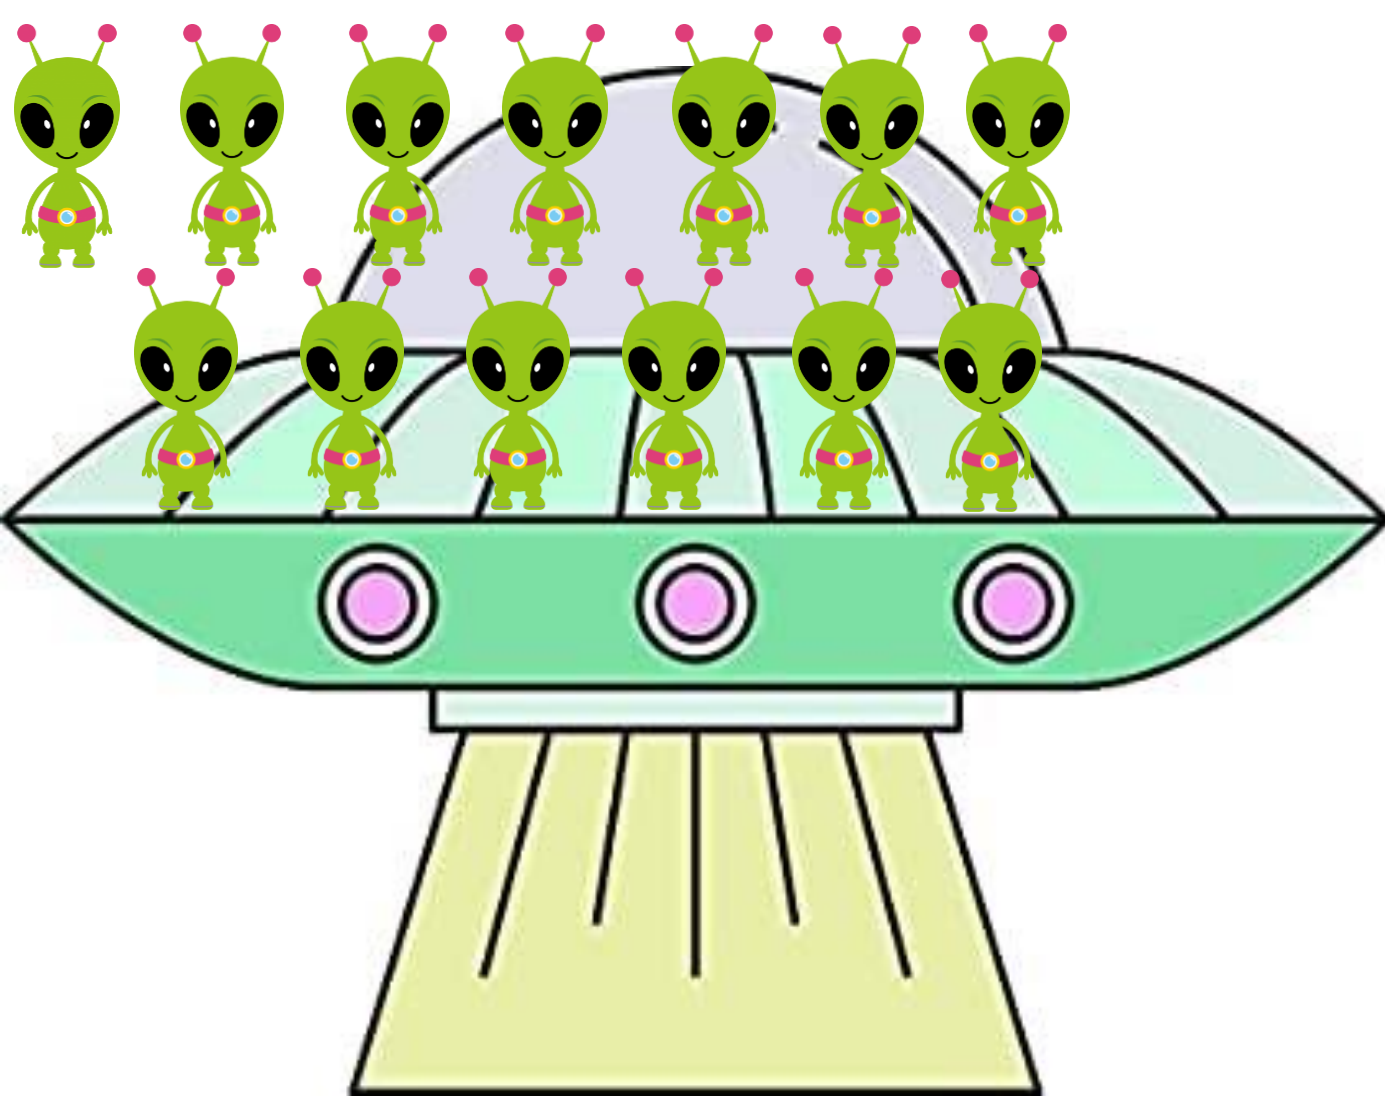

Can you remember
'5 Little Men in a Flying Saucer'?
Let's sing together!

Welcome to space! How many
aliens can you count?

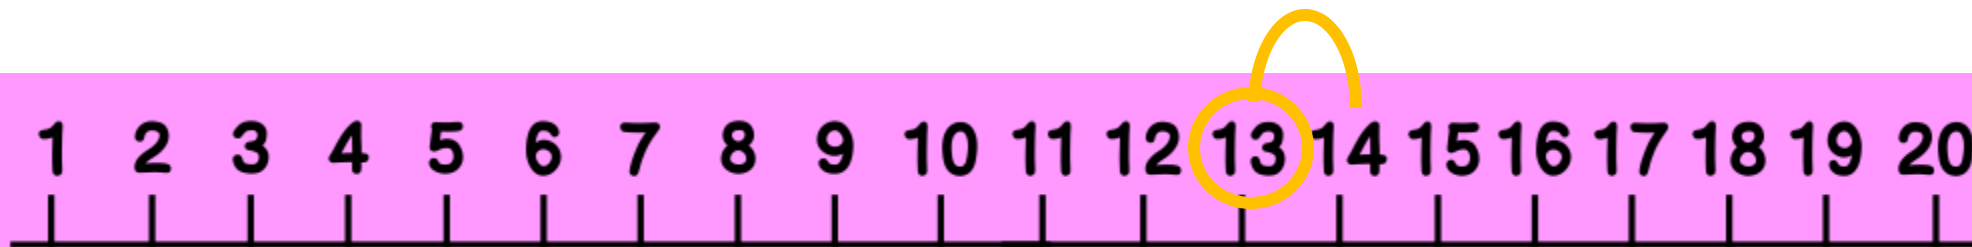

Can you count
the aliens? Can
you find that
number on the
numberline?

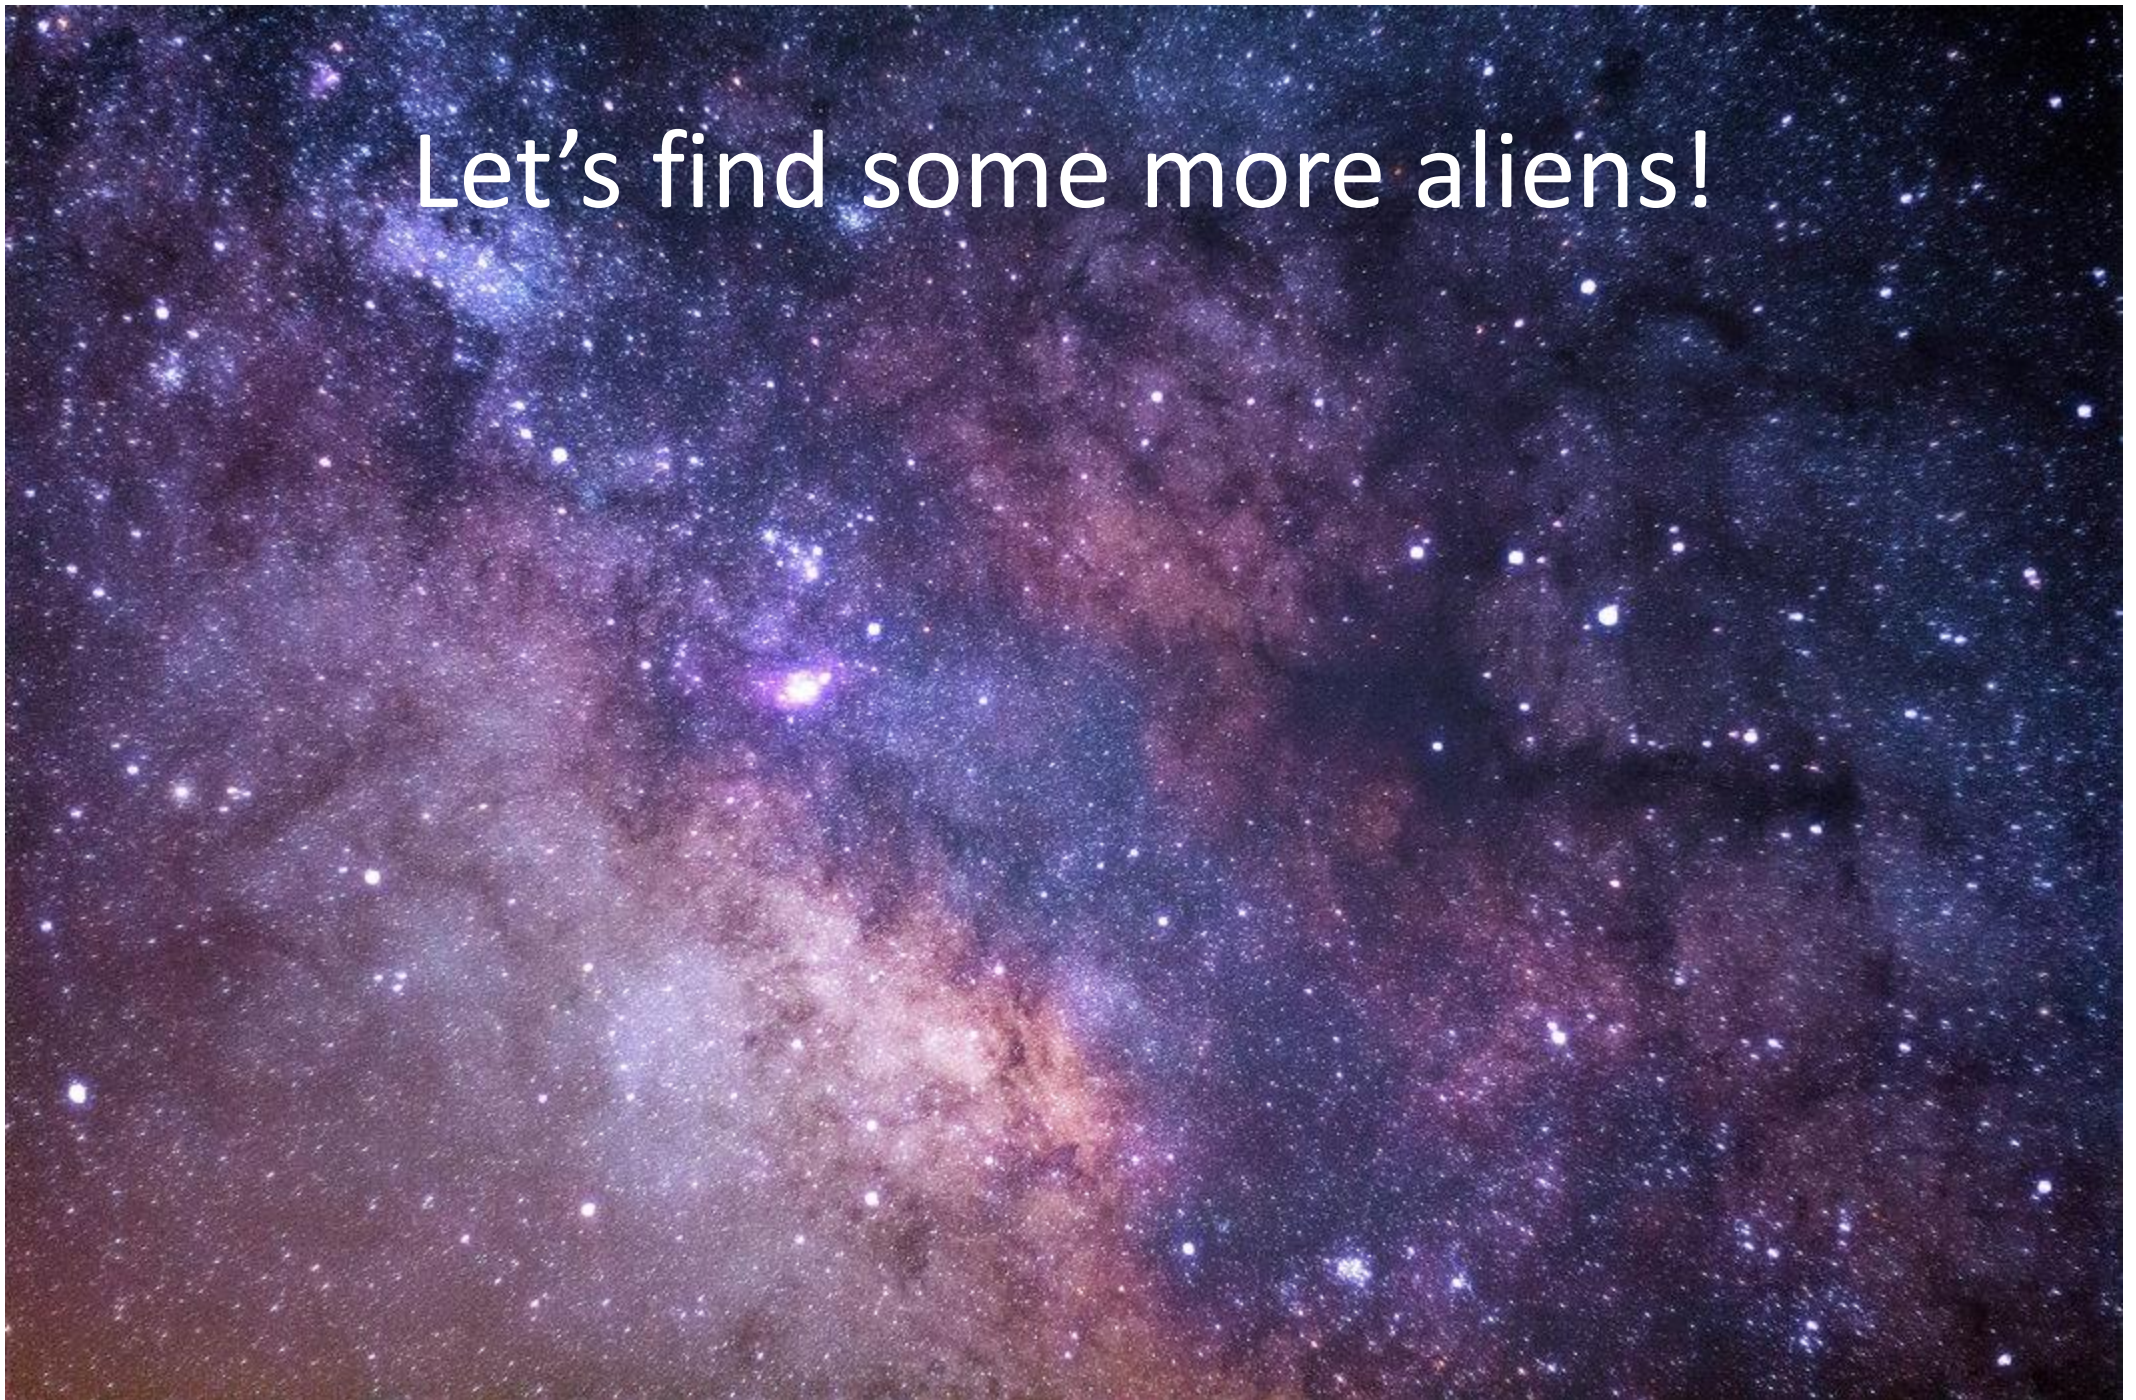

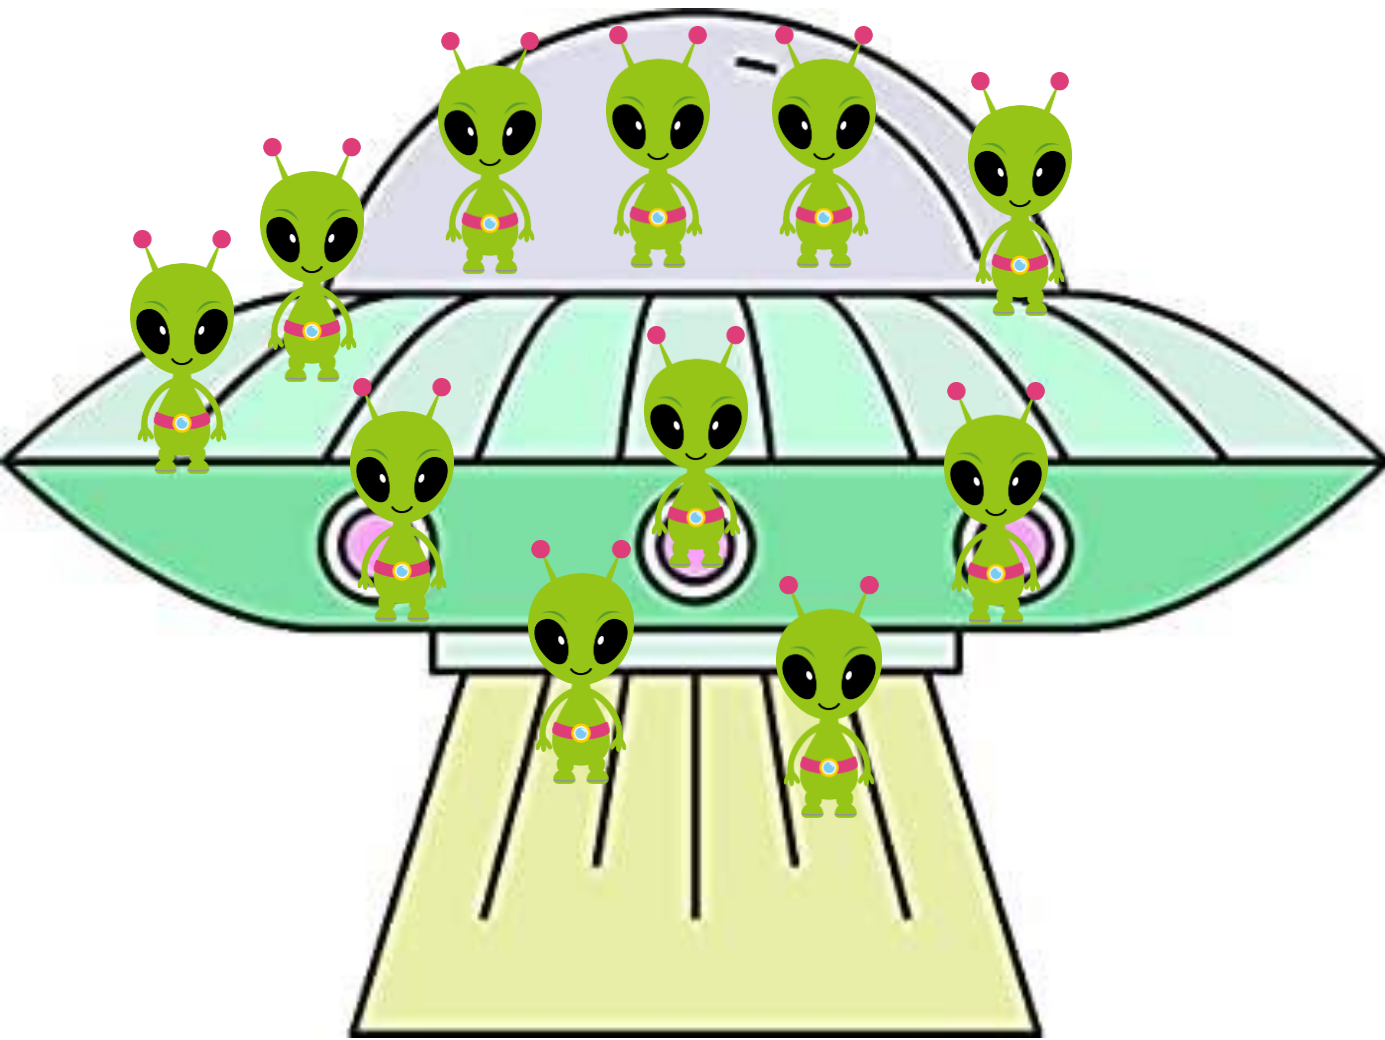

What happens
now we've
added one
more?

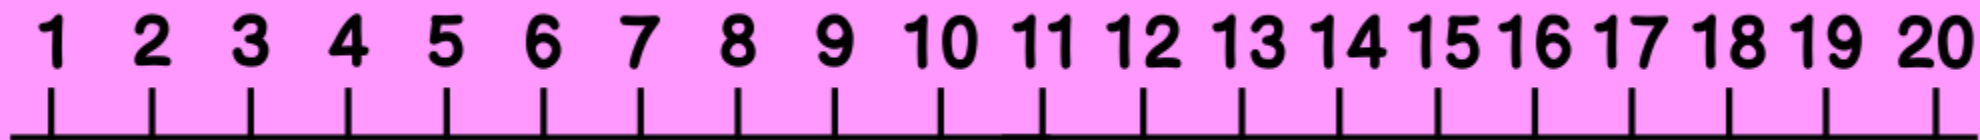

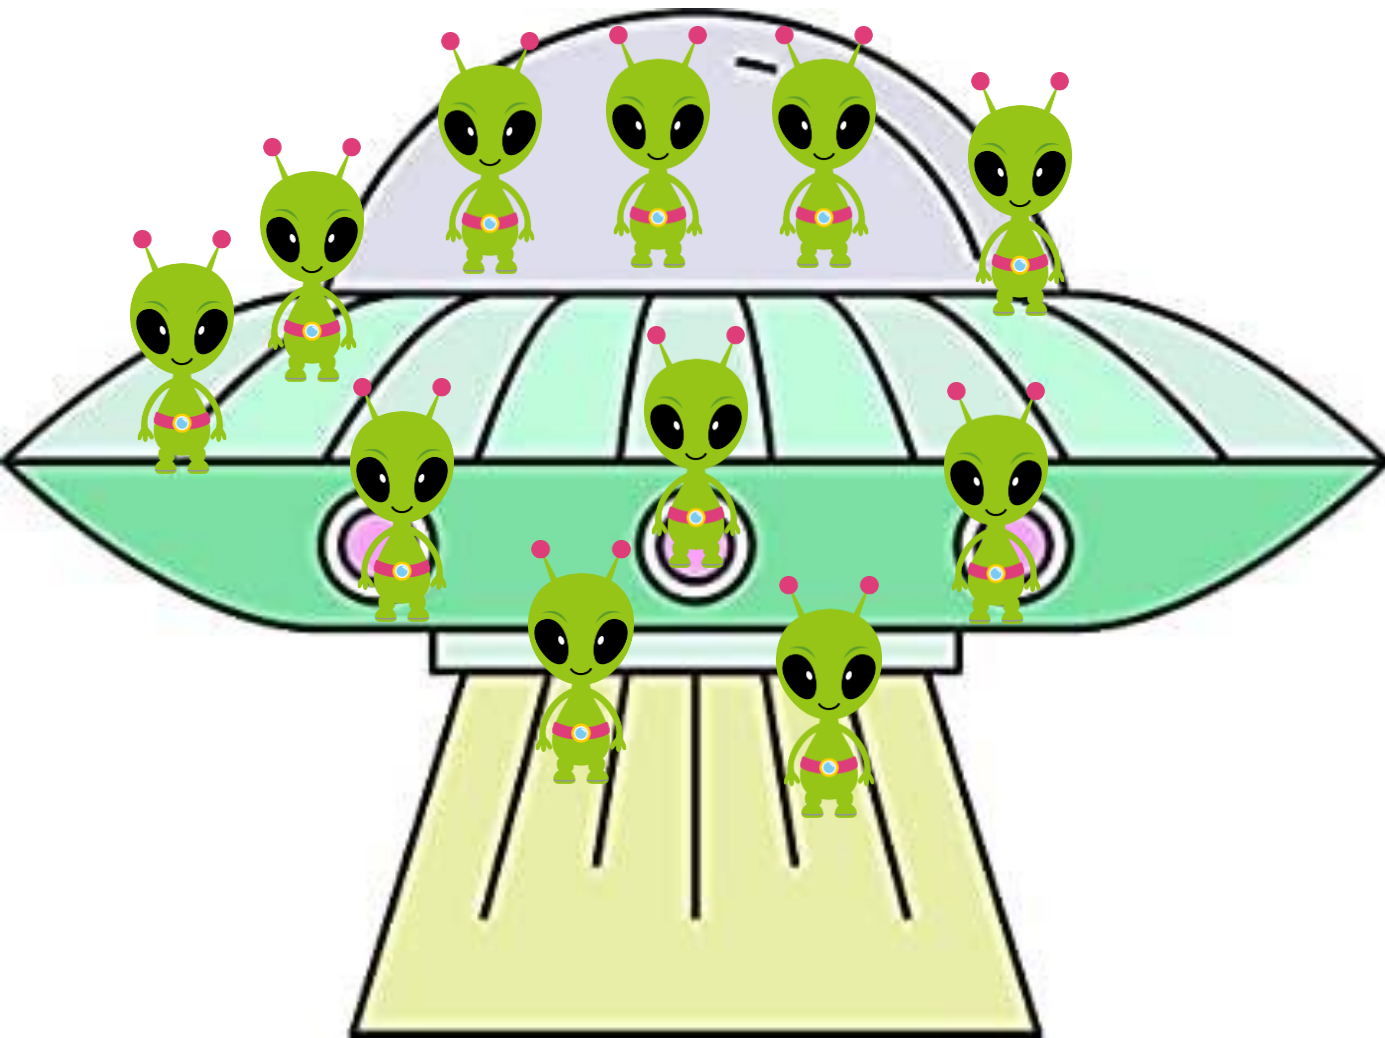

Let's find some more aliens!

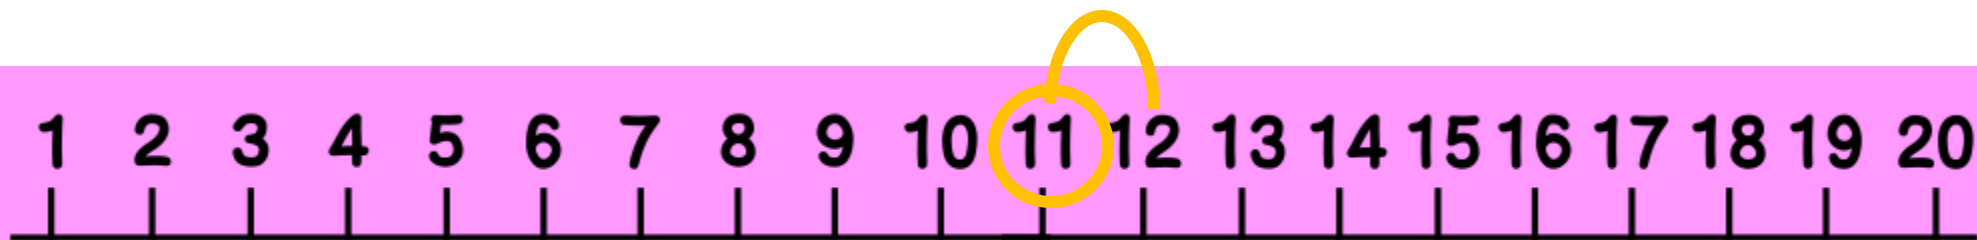

Can you count
the aliens? Can
you find that
number on the
numberline?

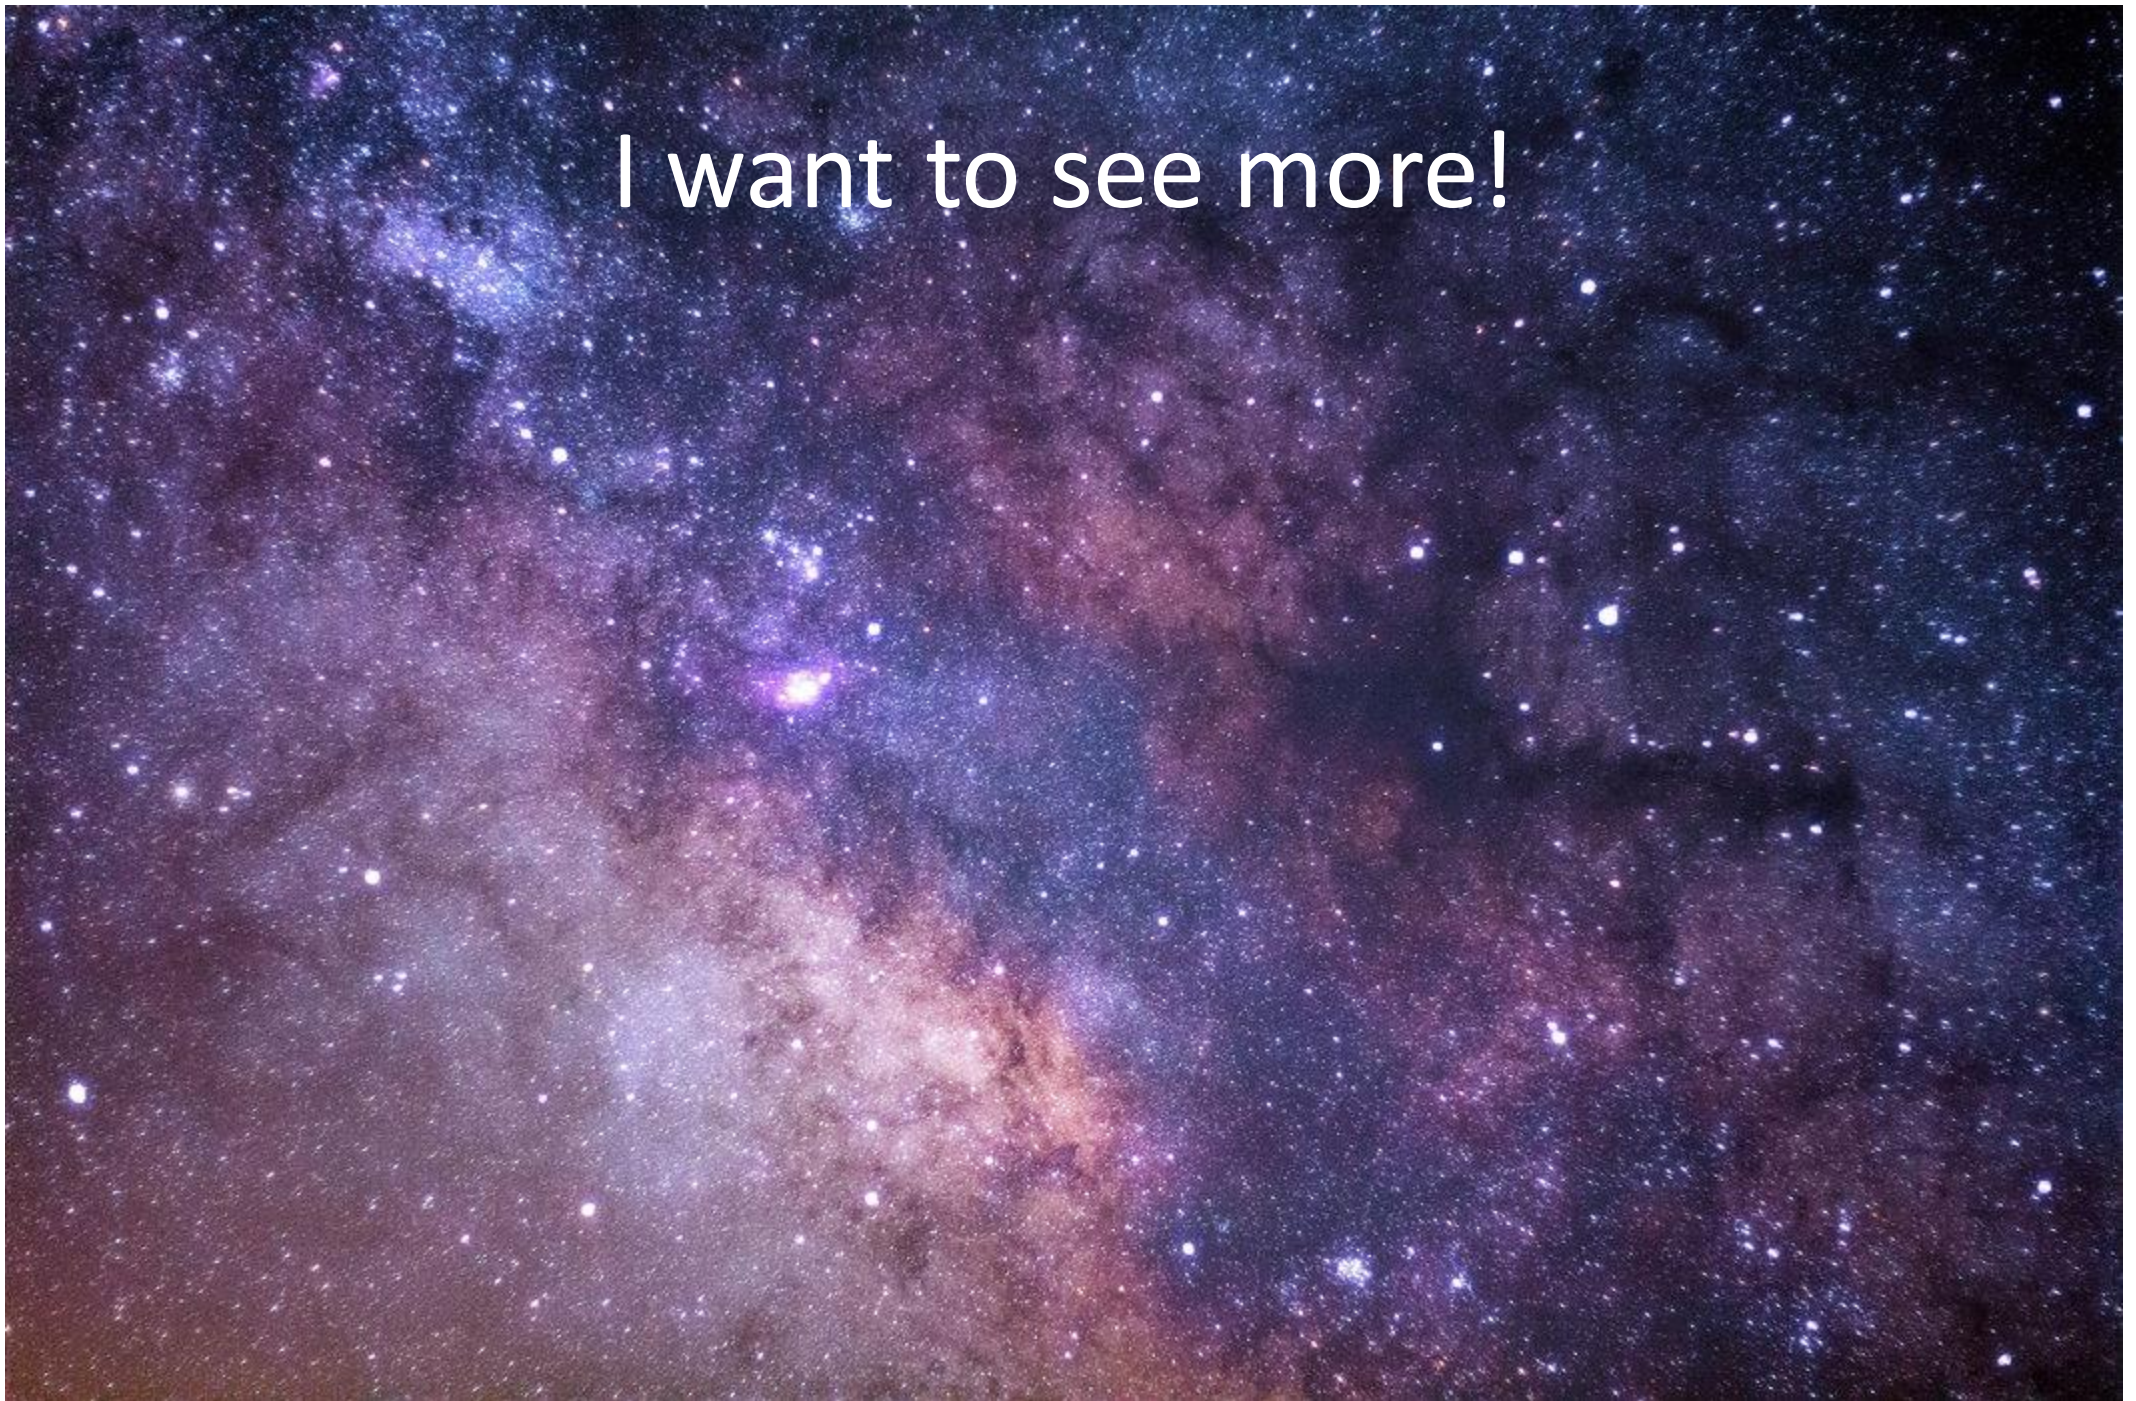

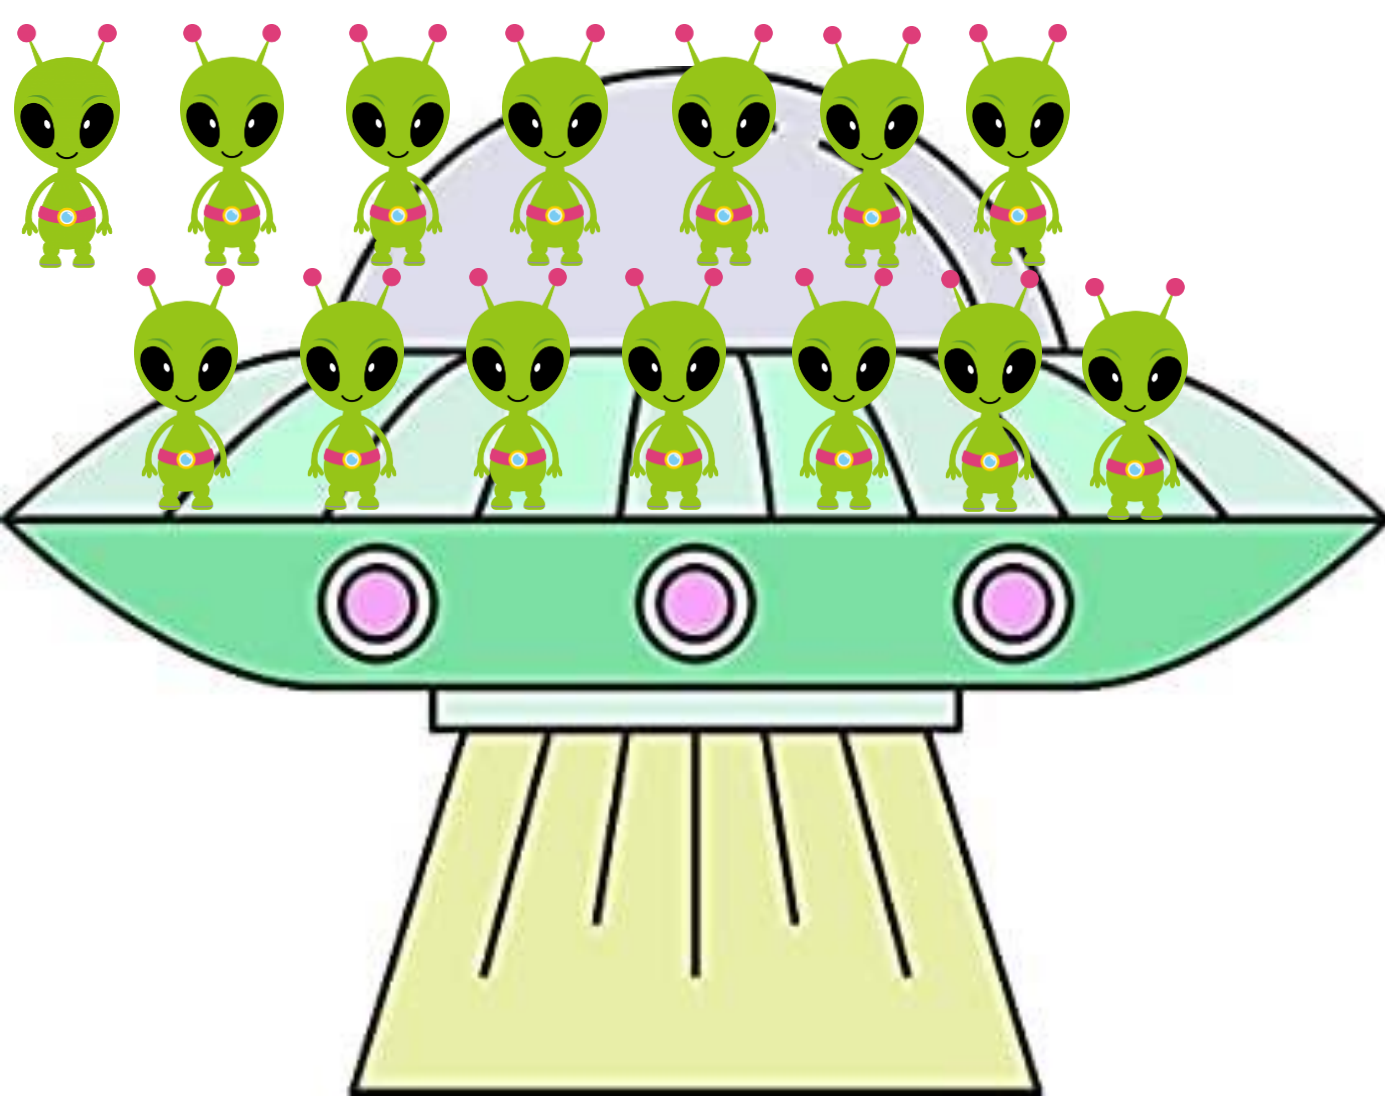

What happens
now we've
added one
more?

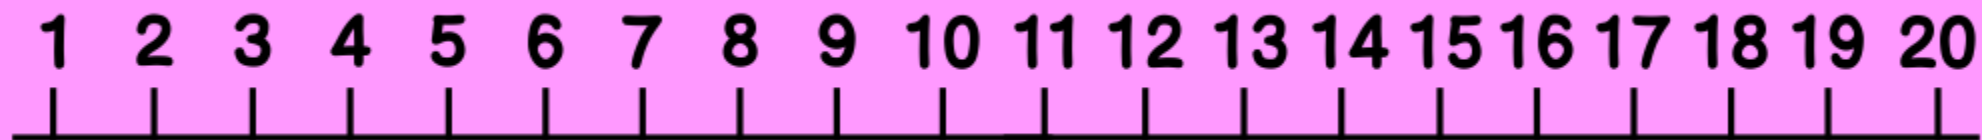

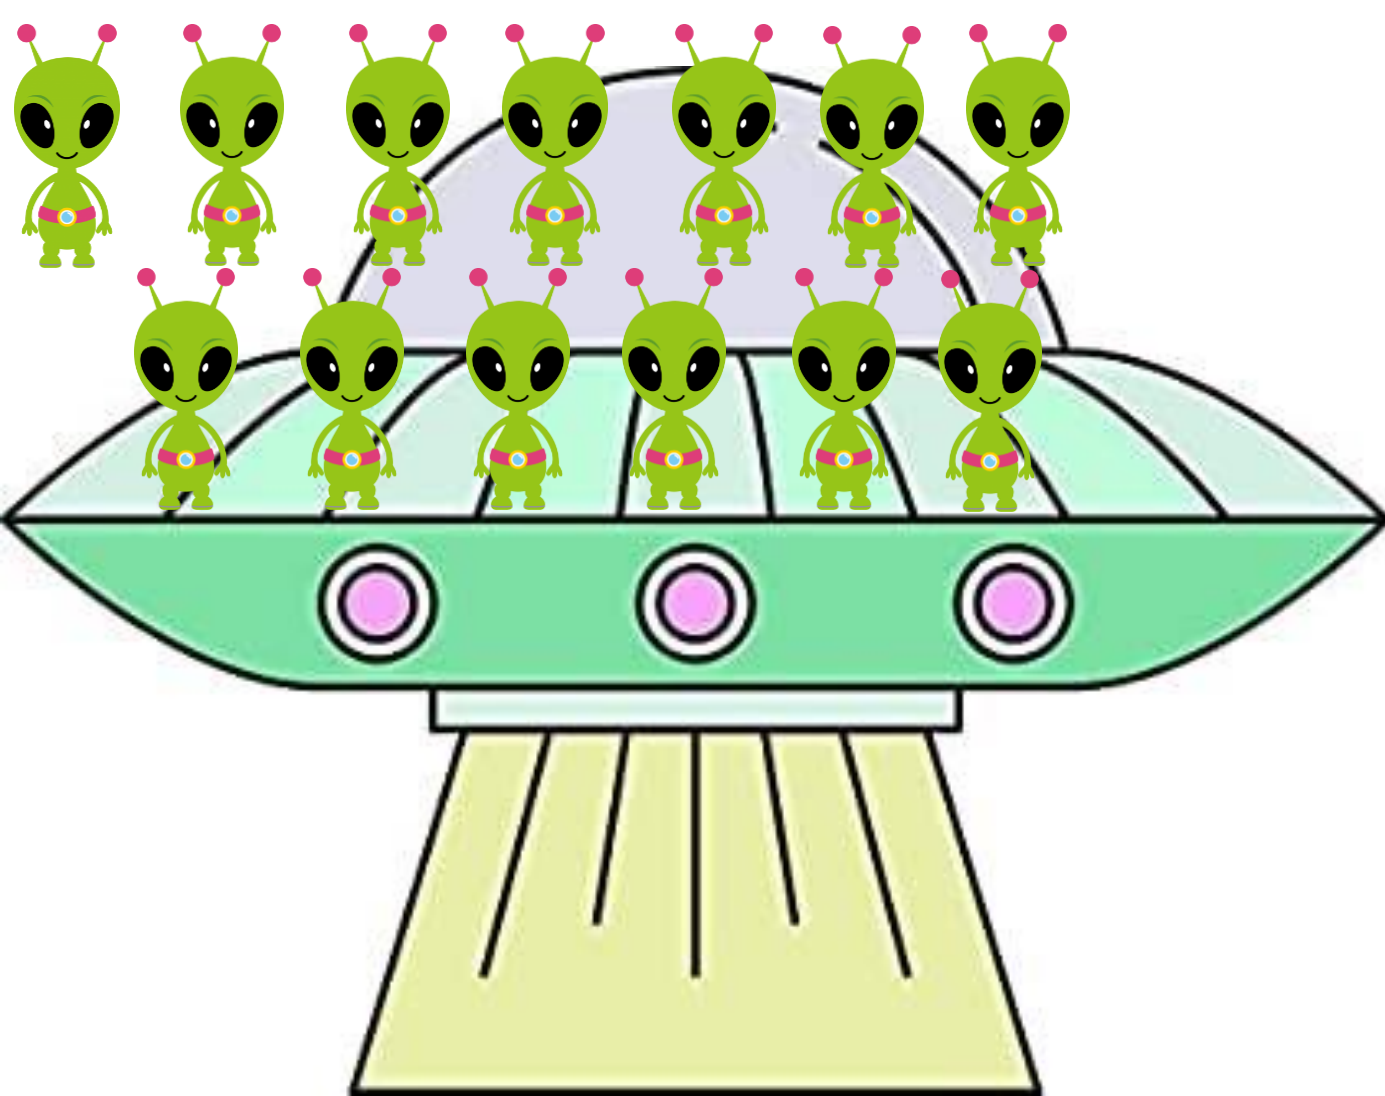

I want to see more!

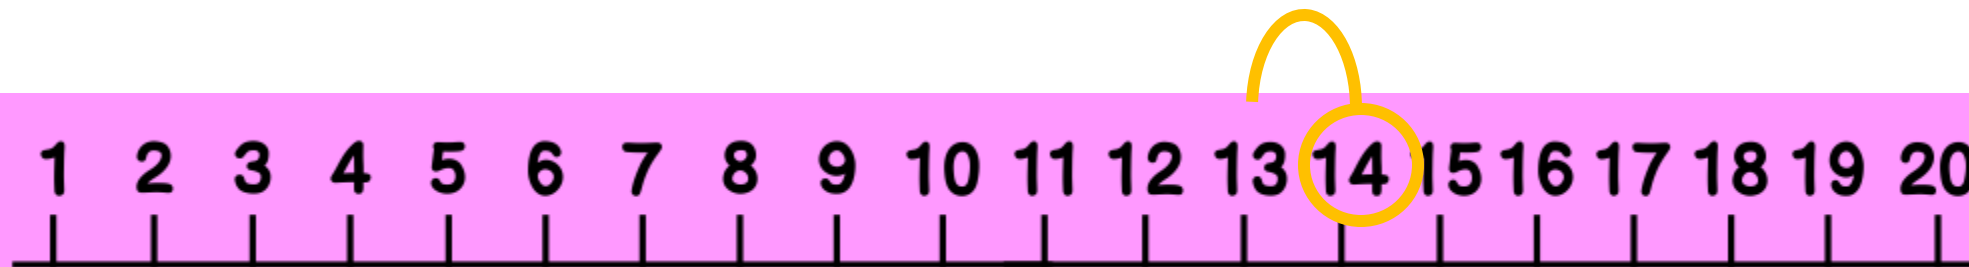

Can you count
the aliens? Can
you find that
number on the
numberline?

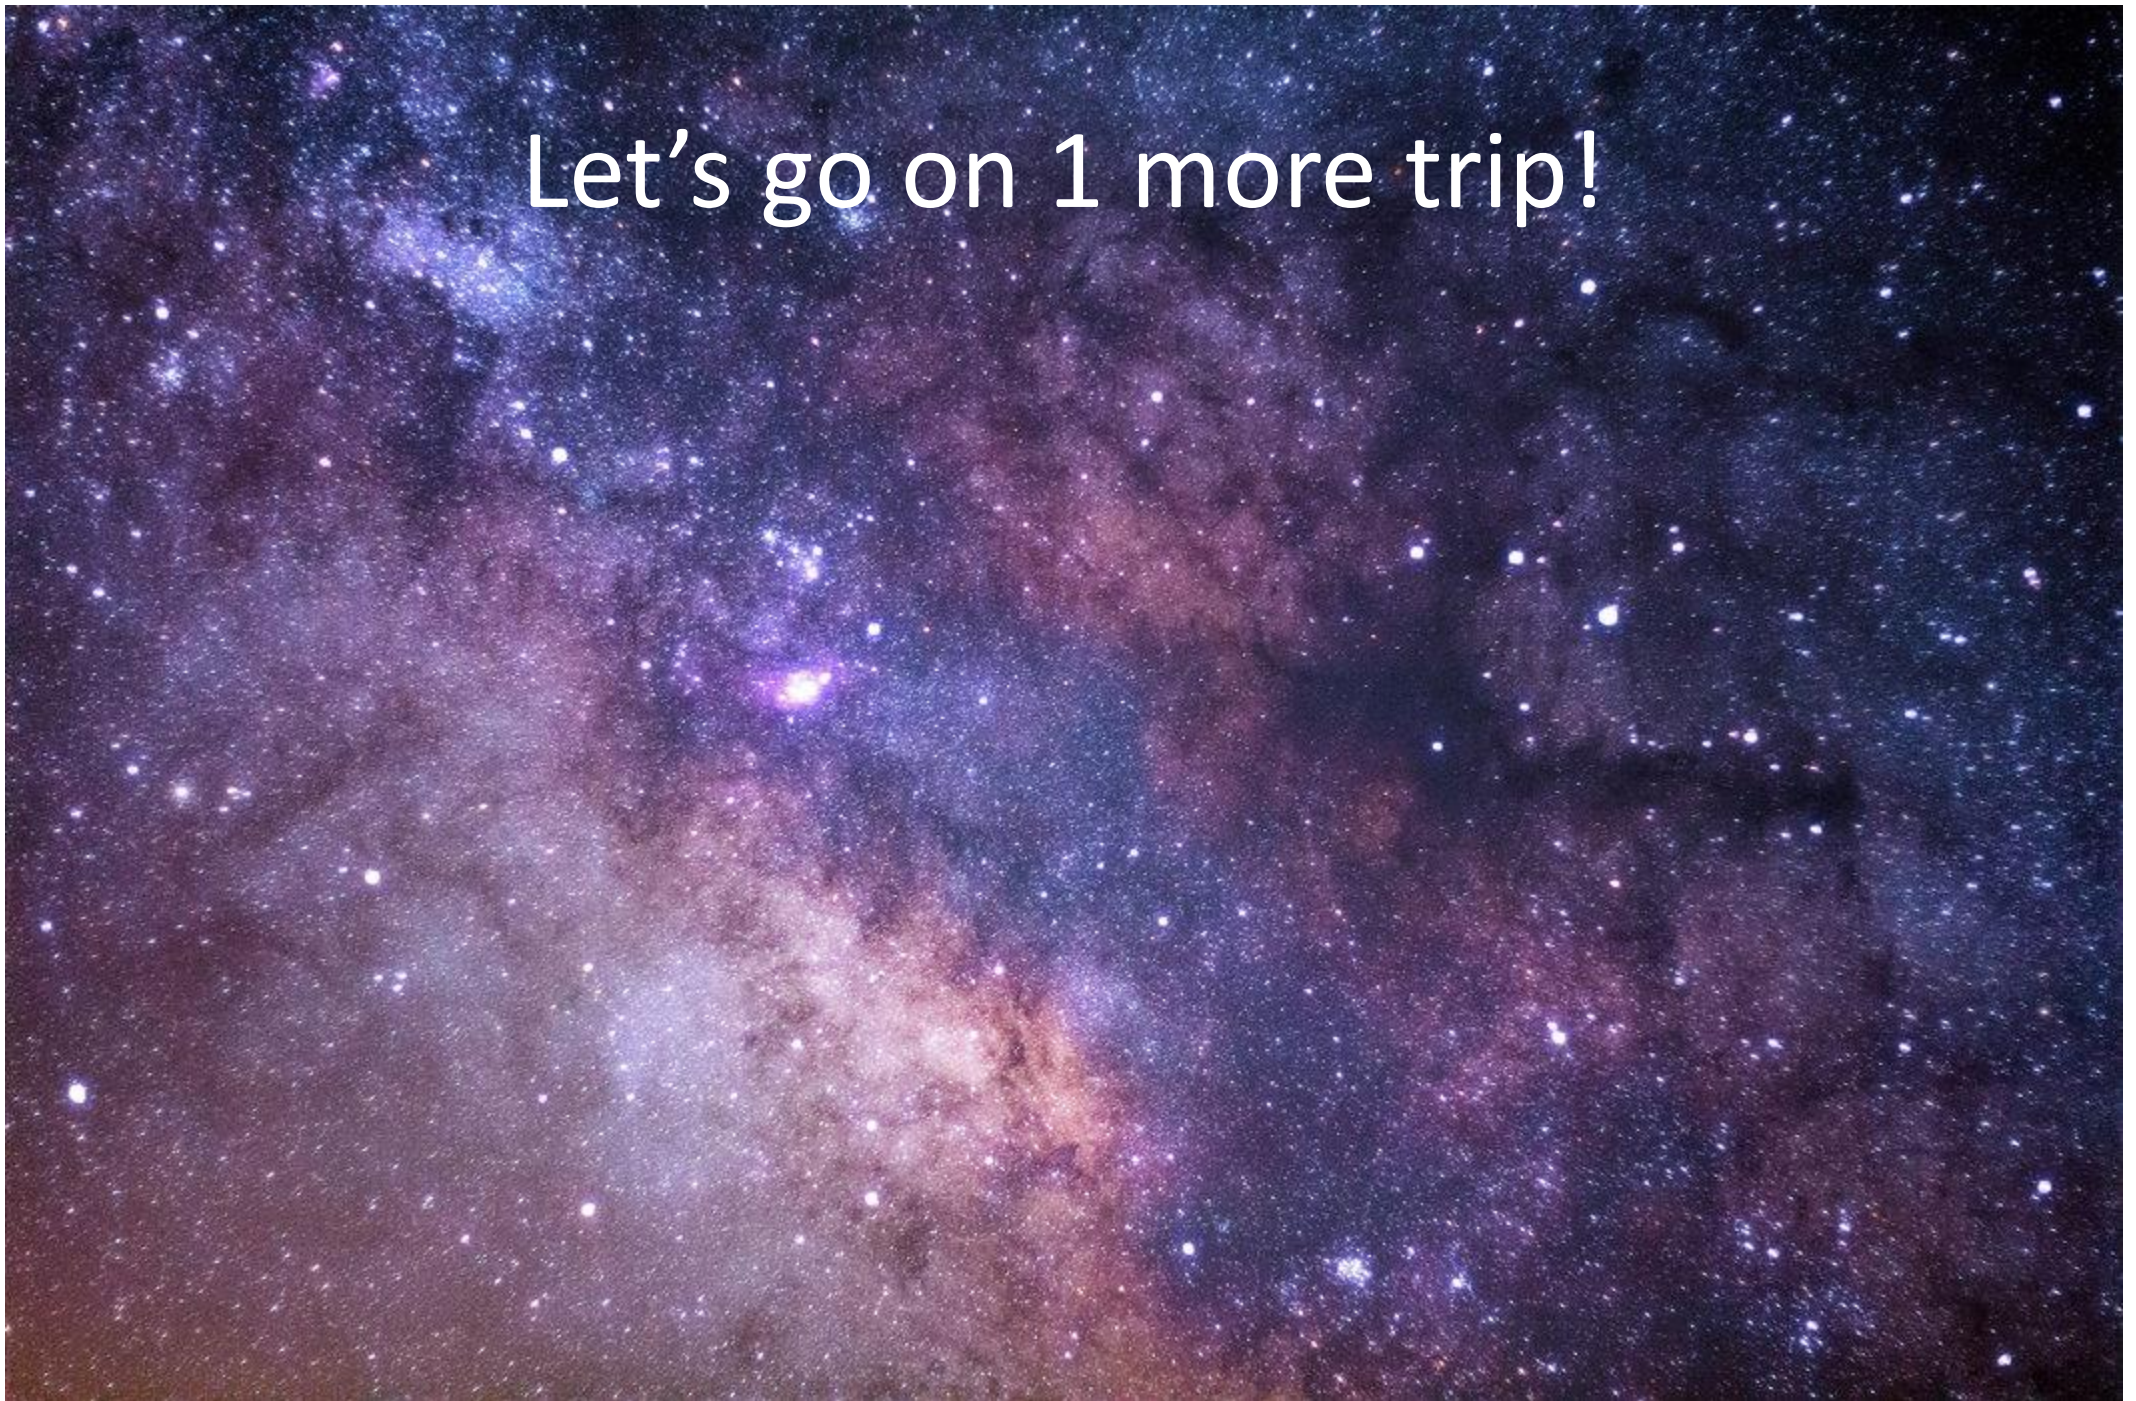

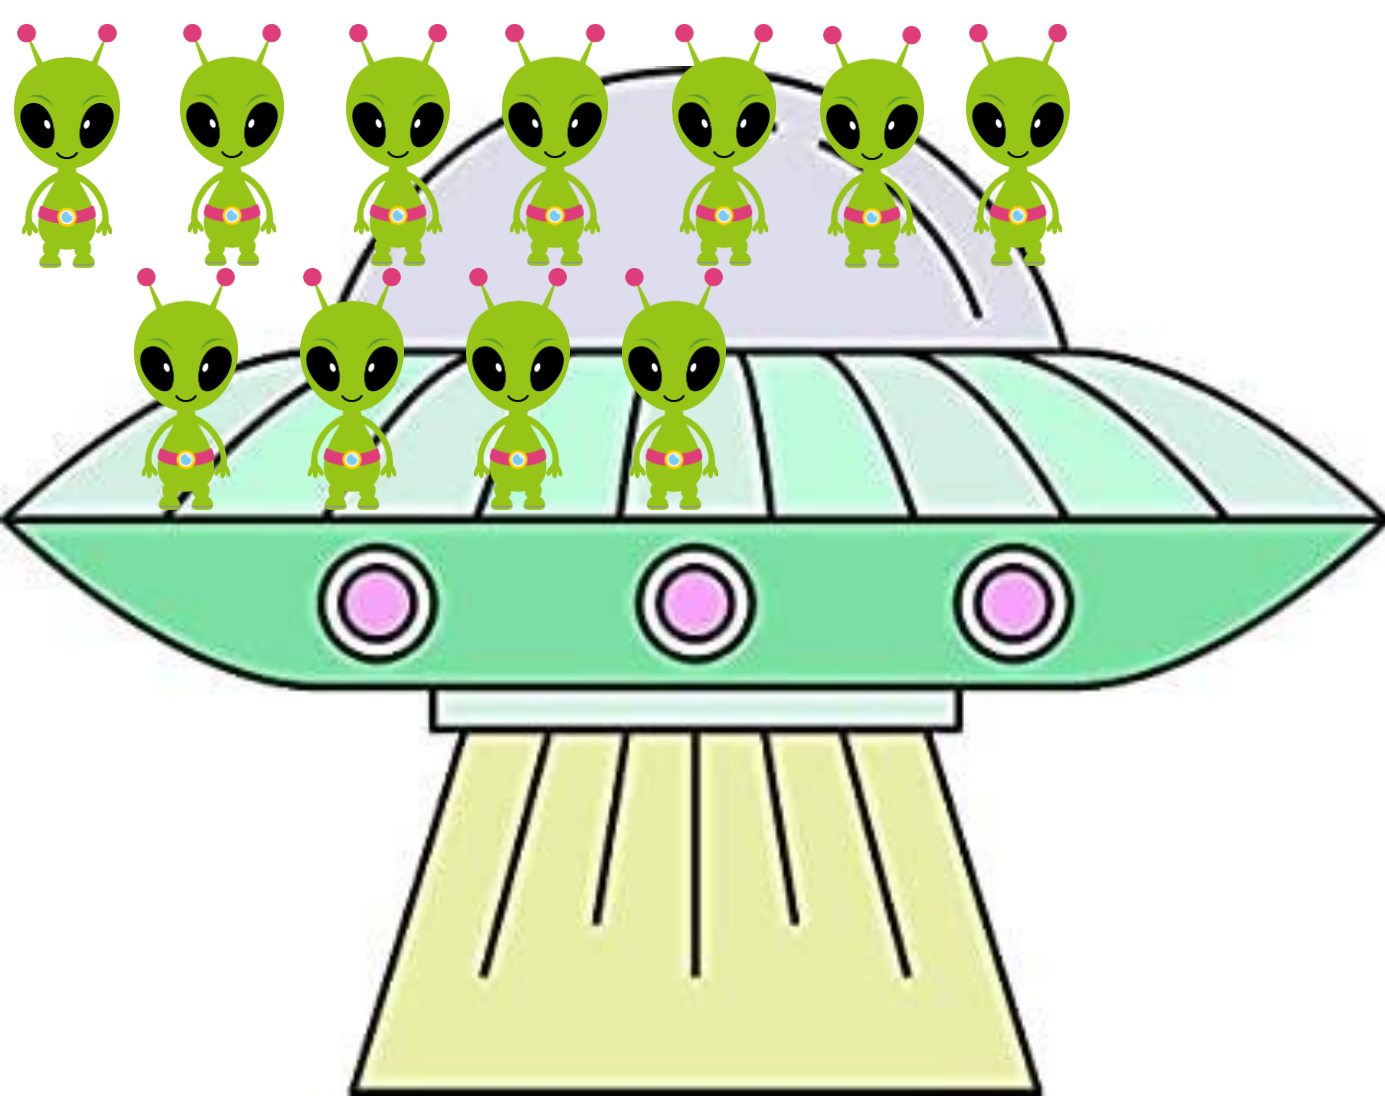

Oh no! 1 alien
has got lost on a
planet! Let's
subtract 1.

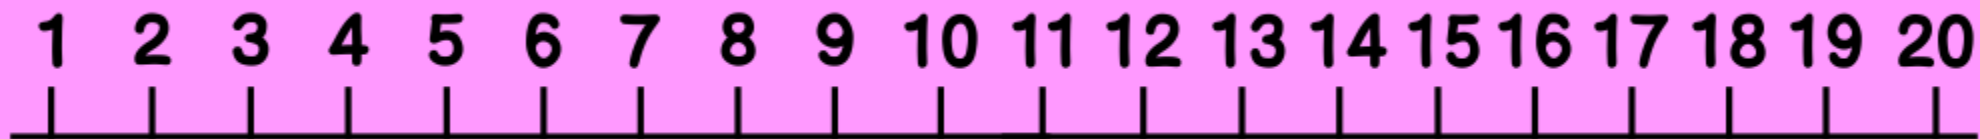

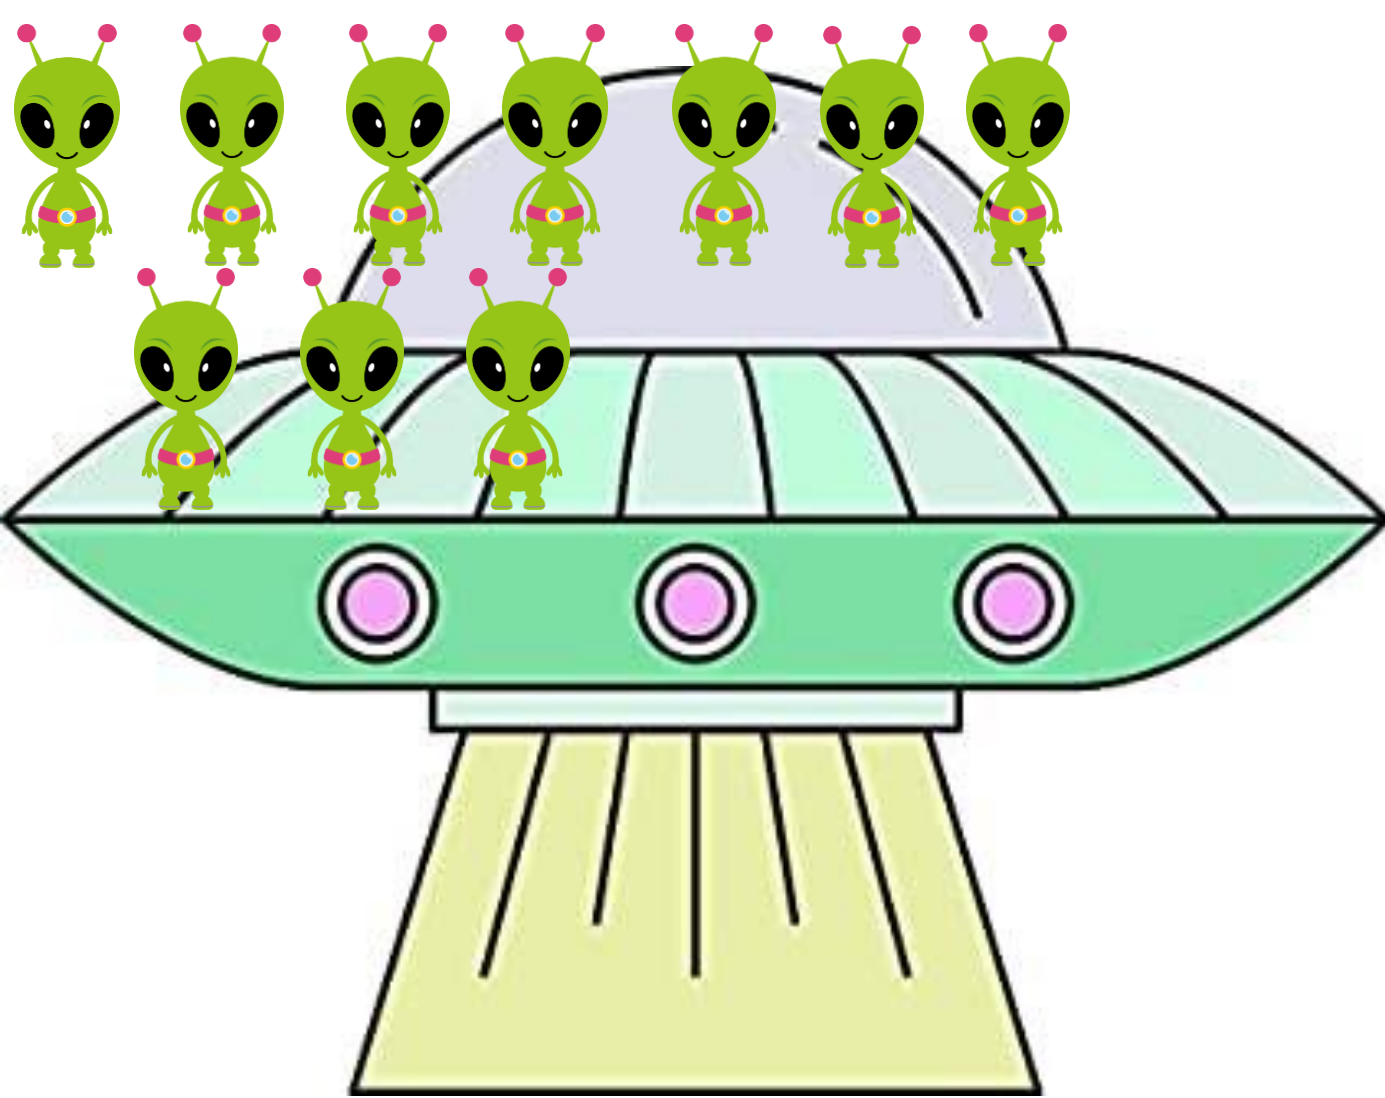

Let's go on 1 more trip!

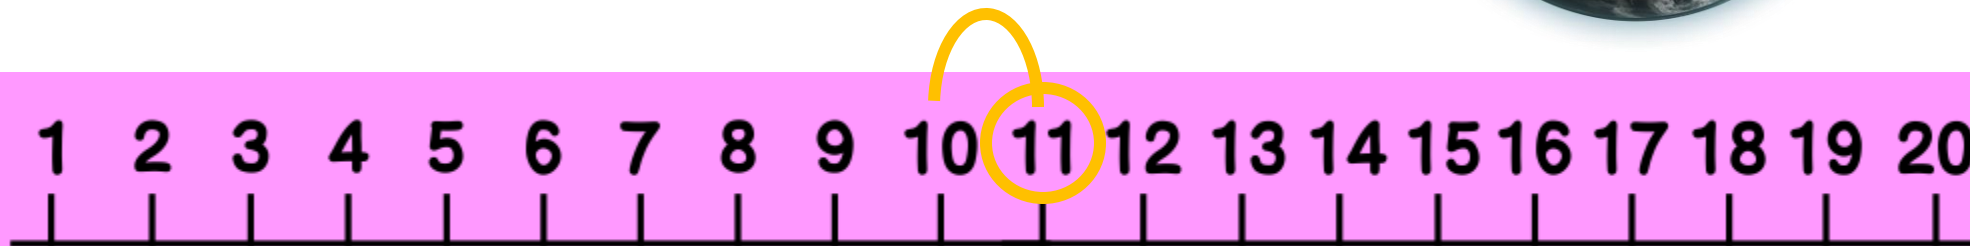

Can you count
the aliens? Can
you find that
number on the
numberline?

Oh no! 1 alien
has got lost on a
planet! Let's
subtract 1.

Thank you!

Goodbye!
