Tuesday 25th July 2023

Dear Parents and Carers,

Today is the last day of the summer term and the school holidays can begin. Some local authorities started their summer a little sooner than Warwickshire but I think today is final day of term for everyone else.

We had a lovely whole-school assembly this morning and I spoke to the children about their reflections and highlights from this year. They talked about their school trips, residential visits, personal achievements and also their friendships and, as usual, they showed great maturity with the quality of the contributions to our conversation. The children have made huge progress this year, socially and academically, and we feel confident that they are ready to take the next steps in their educational journey, whether this involves moving from one year to the next or moving up to a new school, which is the next challenge facing our Year 6 children.

We also talked about staying safe over the summer and agreed that being ready, respectful and safe is something we should do at all times and not just in school. We considered this carefully from a 'being away on holiday' perspective to reinforce those safety messages which are so important when we are away from home and in unfamiliar, exciting places.

There has been a lot to be proud of this year and I am particularly pleased with the quality of curriculum enrichment offered this year (trips, residentials, music, visitors etc...) and the quality of our community engagement, which has included brilliant PTA events, lesson drop-ins and performances. There is more to do in the new school year to develop this further but I think this has been a particular highlight and we are very grateful for your participation and support to make these events so successful.

And finally, a huge thank you to you all for your continued partnership and for those of you who are leaving our school today, thank you for your support over the years and very best wishes for a happy and successful future.

Happy holidays and many thanks from everyone at Woodloes.

Yours sincerely,

Andy Mitchell (Head Teacher)
