

Year 5  
Additional Remote  
Learning Activities

In addition to your daily learning, you need to do at least one additional task each day:

- Complete a topic linked task (see list of suggested activities)

or

- Set yourself (and practise) a personal challenge  
e.g. learn to tie your shoe laces, practise a new skill (e.g. sewing) or cook a dish

- Go on a website to further your learning

E.g.

### **Spelling Match**

Match the homophone with its meaning

[http://eduplace.com/cgi-bin/schtemplate.cgi?template=/kids/hmsv/smg/smg.thtml&game\\_file=game\\_4\\_06&grade=4&unit=6](http://eduplace.com/cgi-bin/schtemplate.cgi?template=/kids/hmsv/smg/smg.thtml&game_file=game_4_06&grade=4&unit=6)

### **Decimal placement**

Decide whether your decimal number should go in the right, middle or left lane

<http://fluencychallenge.com/play/play-akira.html>

## **The Claw!**

Match the decimal to the percentage

<http://fluencychallenge.com/play/play-claw.html>

## **GPS Bitesize**

Take your pick with any of these GPS games and explanations

<https://www.bbc.co.uk/bitesize/topics/zhrrd2p>

## **Daily 10**

Take your pick of maths themes to revise; can you reduce your time after the third go?

<https://www.topmarks.co.uk/maths-games/daily10>

## **5-a-Day Maths**

Try these maths quizzes and see if you can move from bronze to silver, or even to gold or platinum...

<https://corbettmaths.com/5-a-day/primary/>

# Spelling Lists

Use your spelling strategies to practise spelling the words from the Year 3/4 and Year 5/6 Spelling lists.

When you have learnt to spell all of the words, write them in sentences to show that you understand the meaning of them.

### Challenge:

Can you include at least two of your spellings each week in conversations with your family?

<p><b>Drawing an image around the word</b></p>	<p>This strategy is all about making a word memorable. It links to meaning in order to try to make the spelling noticeable.</p>  <p>You can't use this method as your main method of learning spellings, but it might work on those that are just a little more difficult to remember.</p>
<p><b>Words without vowels</b></p>	<p>This strategy is useful where the vowel choices are the challenge in the words. Write the words without the vowels and pupils have to choose the correct grapheme to put in the space. For example, for the word <i>field</i>:</p> <p>f _____ ld</p>
<p><b>Pyramid words</b></p>	<p>This method of learning words forces you to think of each letter separately.</p> <p style="text-align: center;">p py pyr pyra pyram pyrami pyramid</p> <p>You can then reverse the process so that you end up with a diamond.</p>
<p><b>Other strategies</b></p>	<p>Other methods can include:</p> <ul style="list-style-type: none"> <li>• Rainbow writing. Using coloured pencils in different ways can help to make parts of words memorable. You could highlight the tricky parts of the word or write the tricky part in a different colour. You could also write each letter in a different colour, or write the word in red, then overlay in orange, yellow and so on.</li> <li>• Making up memorable 'silly sentences' containing the word</li> <li>• Saying the word in a funny way – for example, pronouncing the 'silent' letters in a word</li> <li>• Clapping and counting to identify the syllables in a word.</li> </ul>

<p><b>Look, say, cover, write, check</b></p>	<p>This is probably the most common strategy used to learn spellings.</p> <p><b>Look:</b> first look at the whole word carefully and if there is one part of the word that is difficult, look at that part in more detail.</p> <p><b>Say:</b> say the word as you look at it, using different ways of pronouncing it if that will make it more memorable.</p> <p><b>Cover:</b> cover the word.</p> <p><b>Write:</b> write the word from memory, saying the word as you do so.</p> <p><b>Check:</b> Have you got it right? If yes, try writing it again and again! If not, start again – look, say, cover, write, check.</p>
<p><b>Trace, copy and replicate (and then check)</b></p>	<p>This is a similar learning process to 'look, say, cover, write, check' but is about developing automaticity and muscle memory.</p> <p>Write the word out on a sheet of paper ensuring that it is spelt correctly and it is large enough to trace over. Trace over the word and say it at the same time. Move next to the word you have just written and write it out as you say it. Turn the page over and write the word as you say it, and then check that you have spelt it correctly.</p> <p>If this is easy, do the same process for two different words at the same time. Once you have written all your words this way and feel confident, miss out the tracing and copying or the tracing alone and just write the words.</p>
<p><b>Segmentation strategy</b></p>	<p>The splitting of a word into its constituent phonemes in the correct order to support spelling.</p>
<p><b>Quickwrite</b></p>	<p>Writing the words linked to the teaching focus with speed and fluency. The aim is to write as many words as possible within a time constraint. Pupils can write words provided by the teacher or generate their own examples. For example, in two minutes write as many words as possible with the /i:/ phoneme.</p> <p>This can be turned into a variety of competitive games including working in teams and developing relay race approaches.</p>
<p><b>Drawing around the word to show the shape</b></p>	<p>Draw around the words making a clear distinction in size where there are ascenders and descenders. Look carefully at the shape of the word and the letters in each box. Now try to write the word making sure that you get the same shape.</p> 

## Year 5 and 6 Word list

accommodate	category	determined	forty	marvellous	programme	soldier
accompany	cemetery	develop	frequently	mischievous	pronunciation	stomach
according	committee	dictionary	government	muscle	queue	sufficient

# Topic based activities

## Year 5 topic tasks linked to Time Travel

- Design a futuristic space ship or vehicle
- Make or design a time machine
- Write a poem about journeys
- Design and describe a future invention
- Design and/or make a healthy snack to take on a journey
- Create a scene or power point linked to time travel past, present and future artwork/drawing
- Design (or make) an outfit from the past, present or future
- Create a fact sheet about time travel

- Write a story linked to journeys
- Create an animation linked to the past, present or future
- Describe a past, present or future setting
- Make a maths game linked to time travel
- Create a comic strip linked to time travel
- Create a form of entertainment linked to the past, present or future
- Draw a person or an animal from the past, present or future
- Make a healthy dish from the past, present or future
- Design or make a helmet for an astronaut
