

Friday 24th March 2023

Dear Parents and Carers,

I have the great pleasure of working with our School Council pupils and we meet together every two weeks: today, we had a very special guest...

Mrs Morris, our newly appointed Deputy Head has spent the day with us in school, meeting all the children and staff, and she also got the chance to meet the children from School Council. The children asked lots of brilliant questions and Mrs Morris provided lots of great answers which will hopefully help the children prepare for this change later in the summer. Mrs Morris thoroughly enjoyed the experience and as usual, our children gave a very good account of themselves and our school.

It will be Mrs Stevens last week at Woodloes next week and we are all facing this with mixed emotions. We will all want to thank her and wish her well for the future but we are also going to be very sad to see her leave. She will be out and about on the playground next week and I am sure she will be happy to see as many of you as possible before she goes.

Many thanks for your continuing support.

Andy Mitchell (Head Teacher)

Year 4 Warwick Walk

This week, Year 4 had a lovely time on their Anglo-Saxon and Viking Walk into Warwick. For the day, we were Viking spies, surveying Warwick on its low hill to see how best we could attack. Throughout the morning, we walked around different historic spots that and focused on what aspects could date back to Anglo Saxon times. Thankfully, the weather held up and the sun shone for both classes and we made the most of the morning out.

Miss De Araujo and Mrs Skirvin

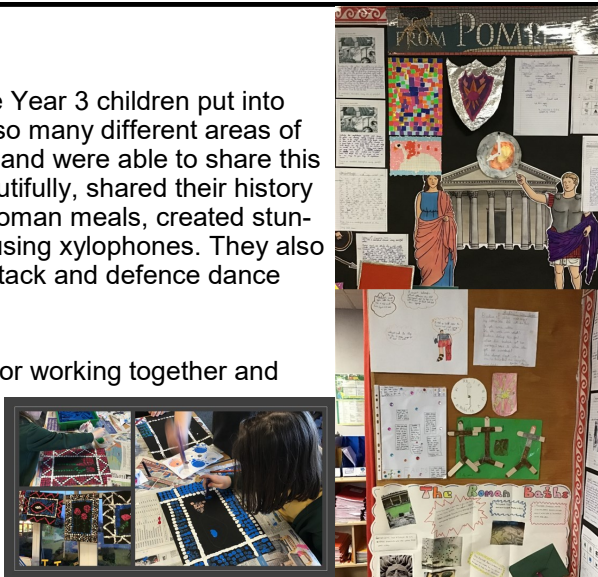

Year 3 Assembly

We were so delighted with the enthusiasm and energy the Year 3 children put into their year group assembly this week. They have covered so many different areas of learning within the topic theme of 'The Romans In Britain' and were able to share this with their families in our assembly. The children sang beautifully, shared their history facts, calculated Roman numerals, discussed balanced Roman meals, created stunning mosaic floors and even played pentatonic melodies using xylophones. They also spoke French with Mr Mitchell and performed a Roman attack and defence dance with a partner.

We are very proud of each and every one of the children for working together and producing a wonderful representation of what our Year 3 curriculum looks like. Thank you to everyone who came along to watch and support the children. We hope you were able to learn something about the Romans too!

Mrs May and Miss Gabel

Attendance News

Highest class attendance for last week—Class **2L** (**Miss Lyons**) with **99.1%**

Whole school attendance to date - **95%** (school target 96.5%)

Pupils with 100% to date **64** pupils = **15.3%**

What I love about Woodloes

Focus on Excellence- Year 5

Year 5 have been enjoying our class text 'Holes' this half term. We've made predictions using the front and back cover of the book and written some creative leaflets persuading parents to send their children to Camp Green Lake. After a build-up of writing skills and drama, we are now in the process of writing our own amazing stories based on the novel using a range of sentence types and figurative language. We will celebrate our fabulous learning this half term by watching the film next week.

Miss Goodrick

Chocolate Tombola

We are welcoming donations of chocolate eggs (any size welcome!) to your class before **Tuesday 28th March**.

We hope to see you after school on **Thursday 30th March** for the tombola! **£1 a ticket!**

Safeguarding and Online Safety Message

Conflict between parents is normal, but if exposure is frequent, intense and poorly resolved, this can have a damaging impact on children, resulting in long-term mental health issues and emotional, social, behavioural and academic problems as they grow up.

If you're struggling with your relationship, remember that you're not alone - we all have arguments, it's how they're resolved that matters ...things can get better.

For help with your relationship, visit <https://www.warwickshire.gov.uk/familyrelationships> or call the Family Information Service on **01926 742 274**

Other News

Travelling to School

We are requesting that our families be mindful of keeping pathways and dropped kerbs clear when parking on road in the streets around school. Many of our families walk into school and require access for wheelchairs and pushchairs alike and to ensure families can cross roads safely. Also, please can we remind those in cars to not park on the zigzag lines in front of the school and ensure you are parking safely. Thank you for support.

Contacting School

We contacted all parents this week to advise of ongoing issues with our phone lines, thank you for your patience during this time, please can we ask you to continue to report pupil absences via email by 9am each morning of the absence, including your child's full name, class and full details of the reason for the absence, please send these to admin5207@welearn365.com. We hope to have the phones back up and running after the Easter break.
